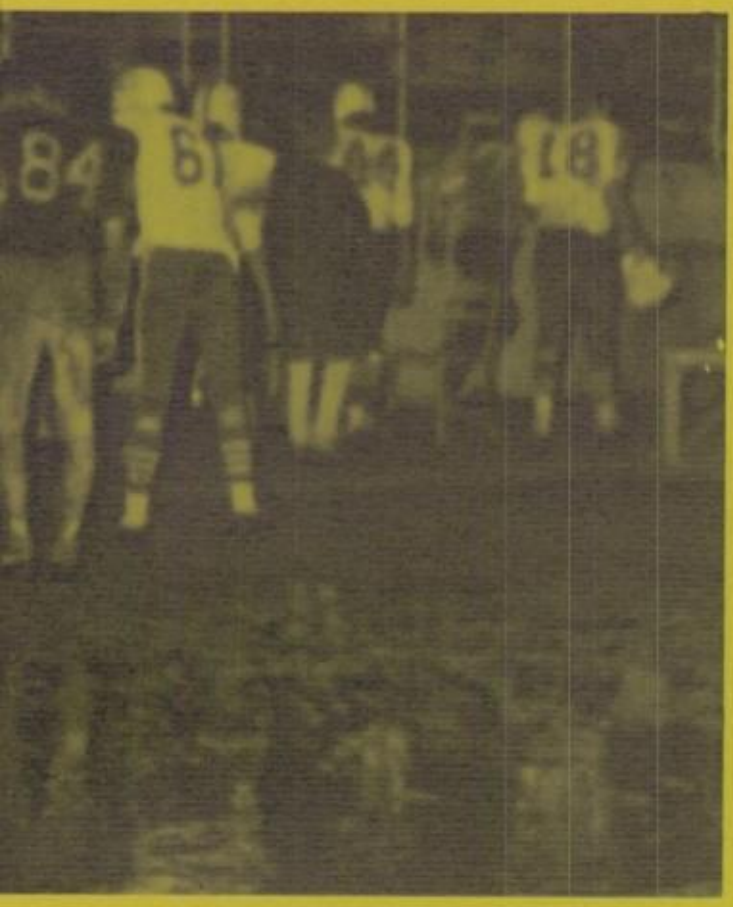
Yesterday Was Ours



At North

Yesterday . . . Yesterday we laughed, we cried, we worked, we played, but all the things we did pertained to the future.

Yesterday may be just a vague memory to some of us, vivid to others, depending upon whether the situations are pleasant or not. But, to most people, the past or memory of the past is nostalgic. It is some thing or idea that once lost can never be brought back in the same perspective as when it first appeared.

Things we did yesterday, no matter what dimensions, large or small, important or maybe not so important, directs and influences us as the type of people we become.

The Phoenix Union High School Board of Education serves all high schools in the district. North Phoenix High School had two main projects for this year. The first was new lights for North's football field. The second, to be completed this summer, is having the parking lot on the east side of the Liberal Arts Building repaved. Some of the classrooms received new paint and others got their floors retiled as minor projects. Also included as a minor project was having the gym floor resanded. Dr. Howard C. Seymour was the head of the seven member Board for the 1968-69 school year.

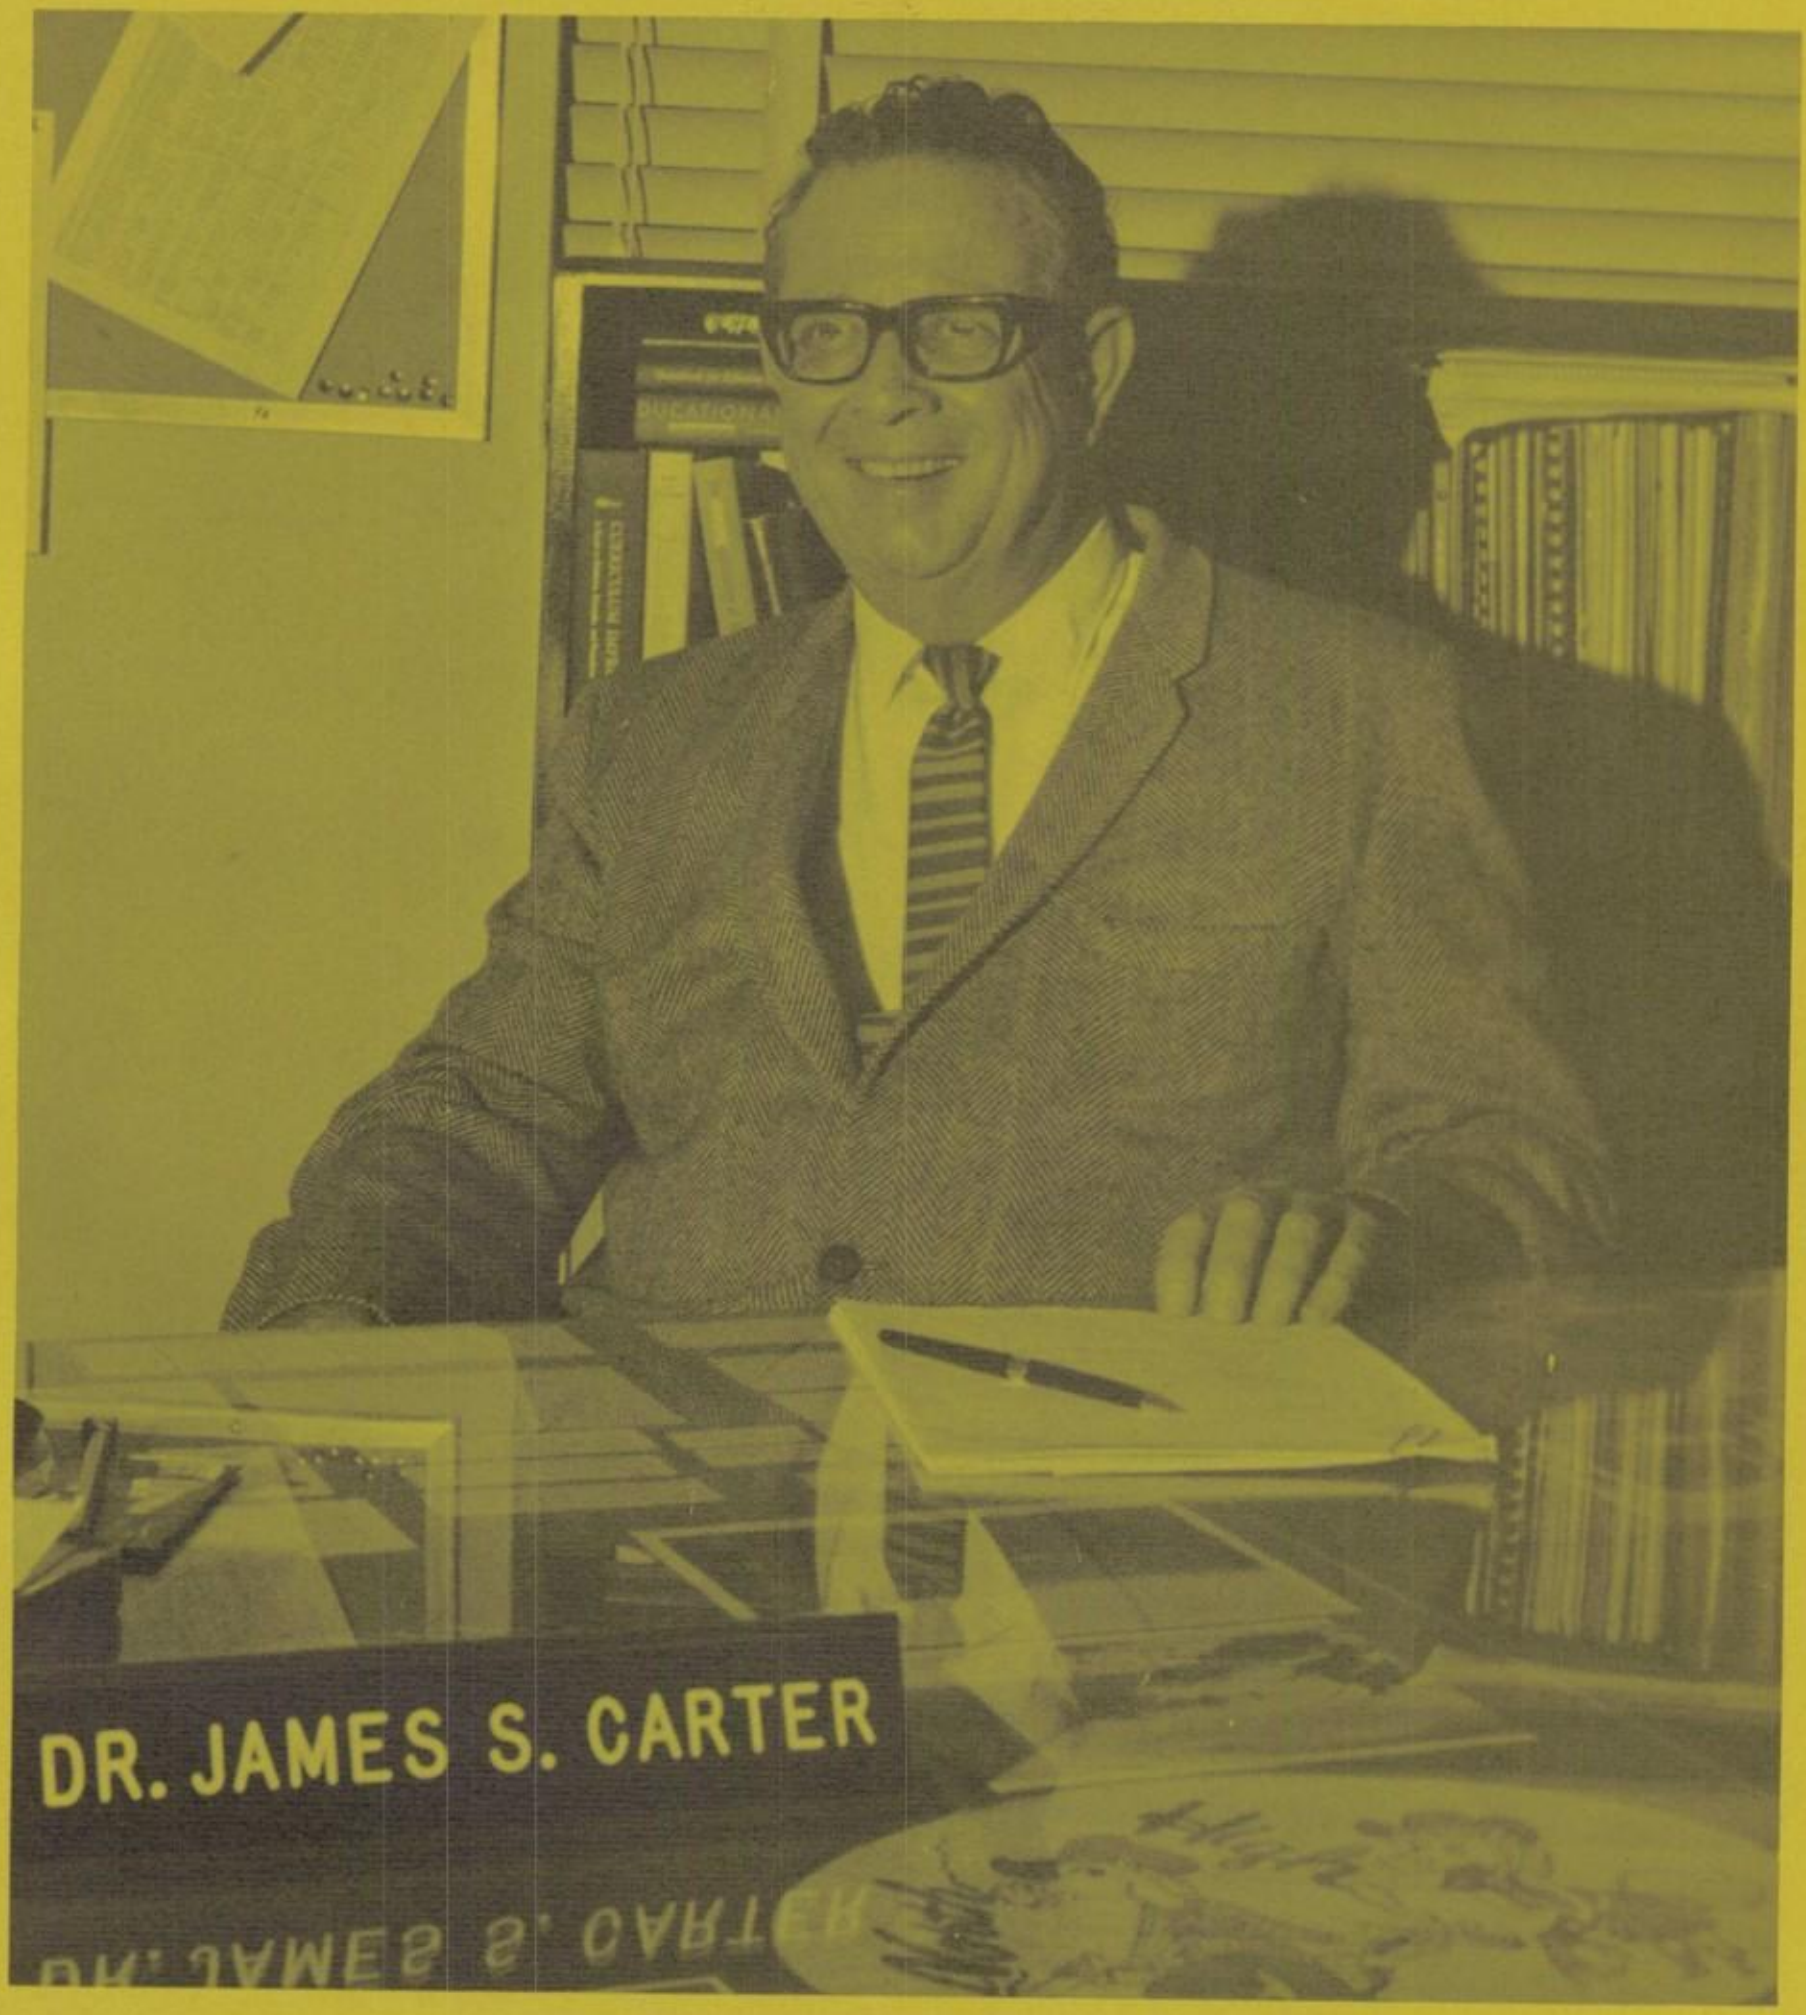
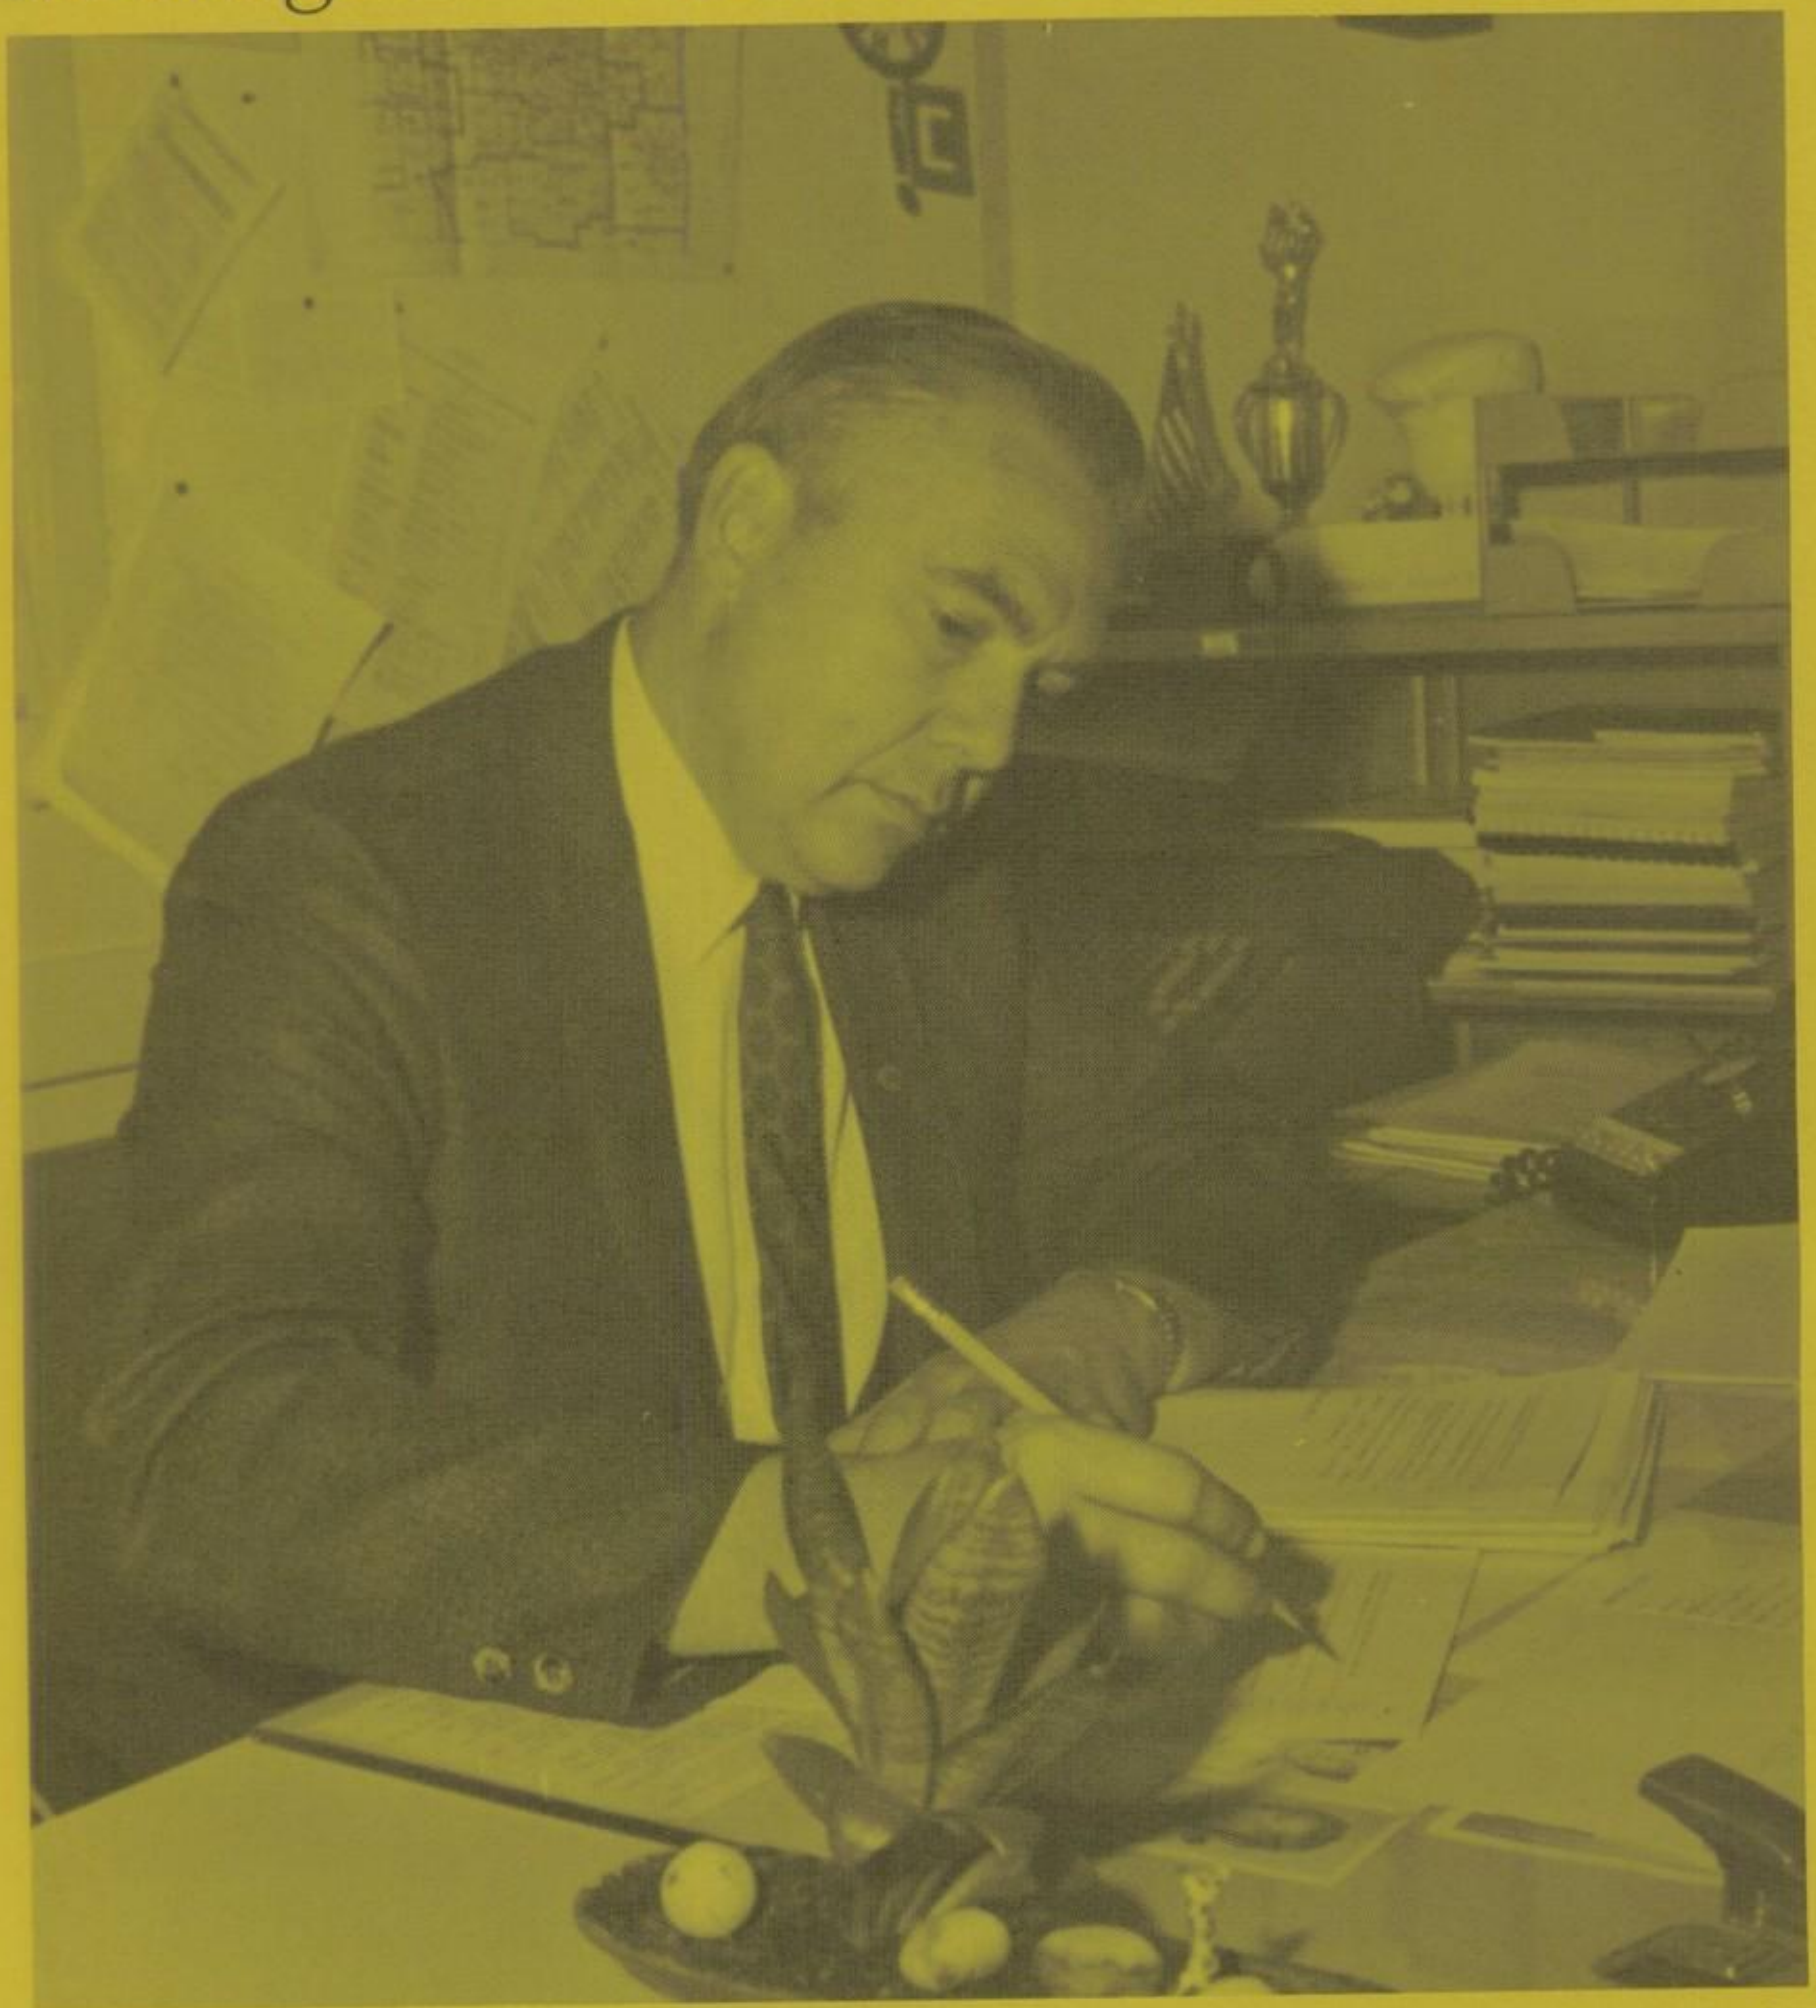
Dr. Carter Finishes Seventh Year



Dr. James S. Carter finished his seventh year as Principal of North Phoenix High School. Dr. Carter had a distinguished career as Principal at Phoenix Union and Central High Schools before coming to North.

Mr. Berger — One Of North's Busiest Men



Mr. George Berger, associate principal, was indeed one of the busiest men on campus at North High. He handled registration and scheduling of classes, and brought North through an early September crisis that saw a bigger student body than anticipated. Mr. Berger indirectly sponsors all clubs and activities on campus.

Cardon; McCormick Paced Campus Life

Stanley P. Cardon received his BA and MA at the University of Arizona. Mr. Cardon has been with North since 1945.

Miss McCormick confers with Mrs. Lindner about a planned girls' activity.

Vera McCormick received her BA and MEd degrees at the University of Arizona. Miss McCormick has been in education for twenty-two years.

Miss Vera McCormick is an Administrative assistant and Dean of Girls. She supervises student activities and also has a student loan library to help students to get their books.

Mr. Stanley P. Cardon is Administrative Assistant and Dean of Boys. He also acts as advisor for many campus organizations and clubs.

Mr. Cardon is cheered by a good report to a parent — is this a switch??

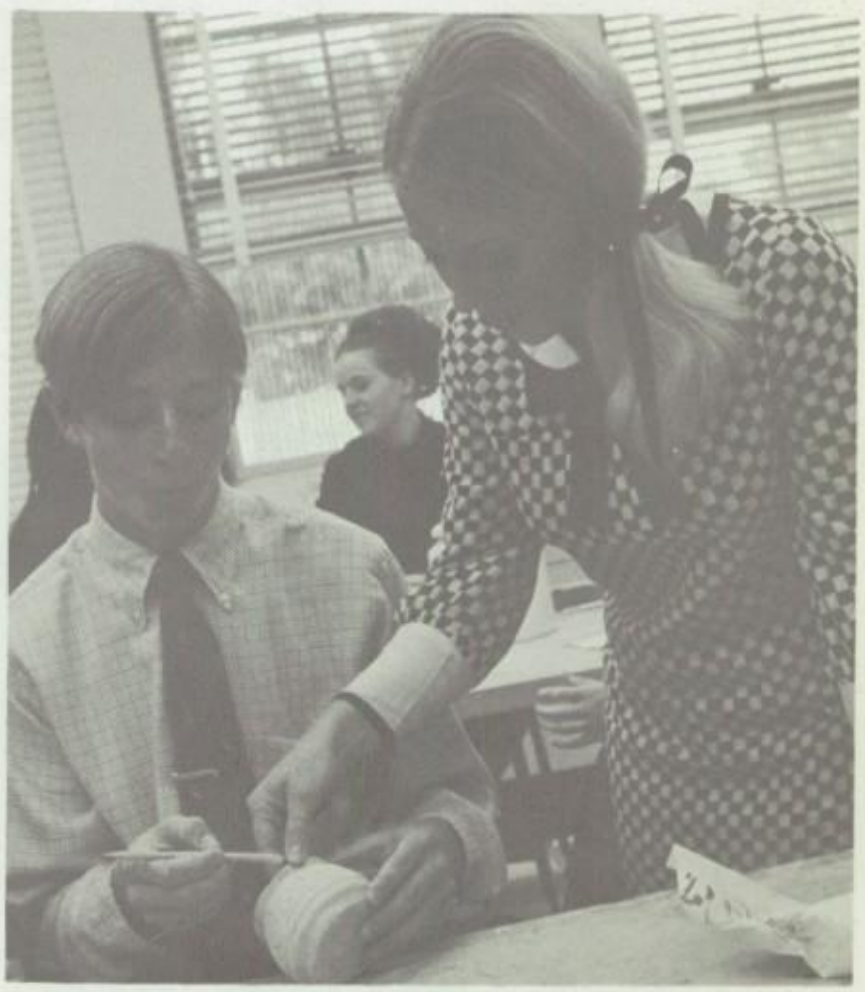
North Echoed With The Sound Of Music

Art and Music are both enhanced by the imagination and creativity of man. Art is expressed to us by the fascinating patterns that the man of today has brought to our minds. An example of the creativity to be found in Art is the cover of this yearbook, designed by Pete Cimallaro, a Senior in Mr. Hibbert's Drawing Class. Miss Sandra Anderson, new to North this year, taught Ceramics and Sculpture.

North was fortunate to have two excellent Music instructors, and a fine Orchestra leader. The marvelous sound of Music was found in Miss Hergt's Concert Choir, Mr. Barr's Marching Band, and the Orchestra, under the direction of Mr. Bagwell.



ABOVE: Miss Anderson gives some tips on clay pottery. **LEFT:** Mr. Barr lends a musical ear.

English Classes Stressed Variety

Miss Mildred Jacks headed an English Department that offered a great variety of interesting courses.

Freshman English saw a program designed to foster fundamental skills in both Literature appreciation and learning the mechanics of writing to aid in clear expression.

Sophomore classes spent more time in Literature, studying various forms of biography, the novel, and the short story. Expository writing was stressed in composition.

Junior English students spent most of the year studying American literature and took time out to write several long papers during the year.

Seniors spent much time on British authors, and did research in preparation for college English courses.

North's Physical Education department had much to offer as far as a choice of activities was concerned. Sports which contributed to physical fitness were: touch football, volleyball, golf, gymnastics, baseball, tennis, and others. Individual daily excercises were stressed.

The girls limbered up playing volleyball, tennis, softball, and other sports. Modern dance enhanced the program, and taught grace of movement.

Thorough Knowledge Advocated In ROTC

Sergeant Byron Kolbert came to North last fall well equipped to lead the ROTC class in new ideas and practcal thinking. A WWII veteran, Kolbert was in Pearl Harbor when it was bombed. He taught Military Science at the University of Texas when he returned to the U.S. Sgt. Kolbert made clear that ROTC would be more than just marching up and down a field. He instilled in the cadets knowledge in weaponry, military tactics, hygiene, first aid, and leadership.

Drivers Education Teaches Courtesy

Mr. Donald Pace

Mr. Donald Pace headed a Driver Education program that fully encouraged a working knowledge of traffic signs, driving conditions, traffic situations, and, of course, proper handling of a car, before actual on-the-road training.

A Driver's Ed. instructor has to be understanding of young peoples' problems and have the patience of Job — Mr. Pace was blessed with both of these qualities.

New Labs Makes Science Interesting

The problems and joys of science were all encompassed by North High's science department, which offered such courses as chemistry, organic chemistry, biology, physics, and earth-space science.

Students greatly enjoyed the new labs and scientific equipment which came about as a result of much planning and renovation during the school year 1967-68.

Business Education Booming At North

North's Business Education department offered a wide variety of courses for students to choose from, including typing, bookkeeping, shorthand, general business, business law, business machines, business English, and others.

Mr. James B. Long was head of a Cooperative Office Training Program and a new addition to North's department, Mr. Miller, taught a class in Marketing. Probably the outstanding aspect of Business Education is the knowledge and practical training offered to prospective business men and women.

Languages Offer World Communication

The languages offered at North are French, German, Latin and Spanish. In the language classes the students are taught to read, write, and speak the language of their choice. Grammar is also stressed in the classes. Latin classes study only conversation to improve their accents, and to speak with ease.

Special Services

The following are included in Special Services: janitors, cafeteria workers, audio visual, librarians, nurse, secretaries, and bookstore. These people are always available when the students and faculty need them and went out of their way in a lot of cases to furnish an extra touch.

Secretaries: Eleanor Parks, Marguerite Hendricks, Helen Smith, Hazel Hittepole, Mary Wilson. **BACK ROW:** Laura Pirtle, Carolyn Nicholson, Mary Pickering, Marge Miraldi.

Executive Committee Powerhouse Of St. Body

Executive Committee was composed of the student body officers, individual class presidents, the Chief Justice of the Honor Court, President of Girls' League, President of the Service Organization, the foreign exchange students and a representative from the Mustang Roundup.

The Purpose of the committee was to discuss student government problems and make suggestions to remedy these problems. All activities this year had to be okayed by the Executive Committee. They were also instrumental in raising funds for the Student Body.

A.F.S. Works Toward A Financial Goal

A.F.S. this year has been very active especially in money making activities. They had to raise 100 dollars a month so they could bring another foreign exchange student to the United States next year. They sponsored car washes throughout the year, they sold balloons at the homecoming game and did various other projects.

The purpose of A.F.S. is to promote good will between the United States and foreign countries, and to establish friendship between individuals.

The exchange students from the foreign countries are selected in the same manner as our representatives. First, there is an application to fill out, then the student is selected by scholastic achievement and also on the basis of how he gets along with others.

Gisela Profits By Active Participation

Dear Friends,

I really don't know what to write because I don't have words to express what I feel for you. This feeling began on August 9th, when I was given the best reception I could hope for at the airport.

At the beginning of the year I couldn't understand the classes in English very well but the helpful friendliness of the kids in my classes made up for this. My teachers also helped me very much and I would like to thank them for the knowledge I have gained of the United States.

I will never forget Fridays at school. They were the most exciting days for me because of the assemblies, games, and dances. Besides these things I also enjoyed very much the play, the talent show, the prom, Homecoming, the senior banquet, and the executive committee's productions of **Our Time.**

But the most important things to me were getting to know all of you and participating in school activities, Executive Committee, Student Council, Pep Club, Kappa, Key Club, Girls' League, Homecoming Dance Committee, Rally and Traditions Committee, and AFS Committee, all became part of my busy life here. Working with you in all of these things helped it make this year the most wonderful in any life.

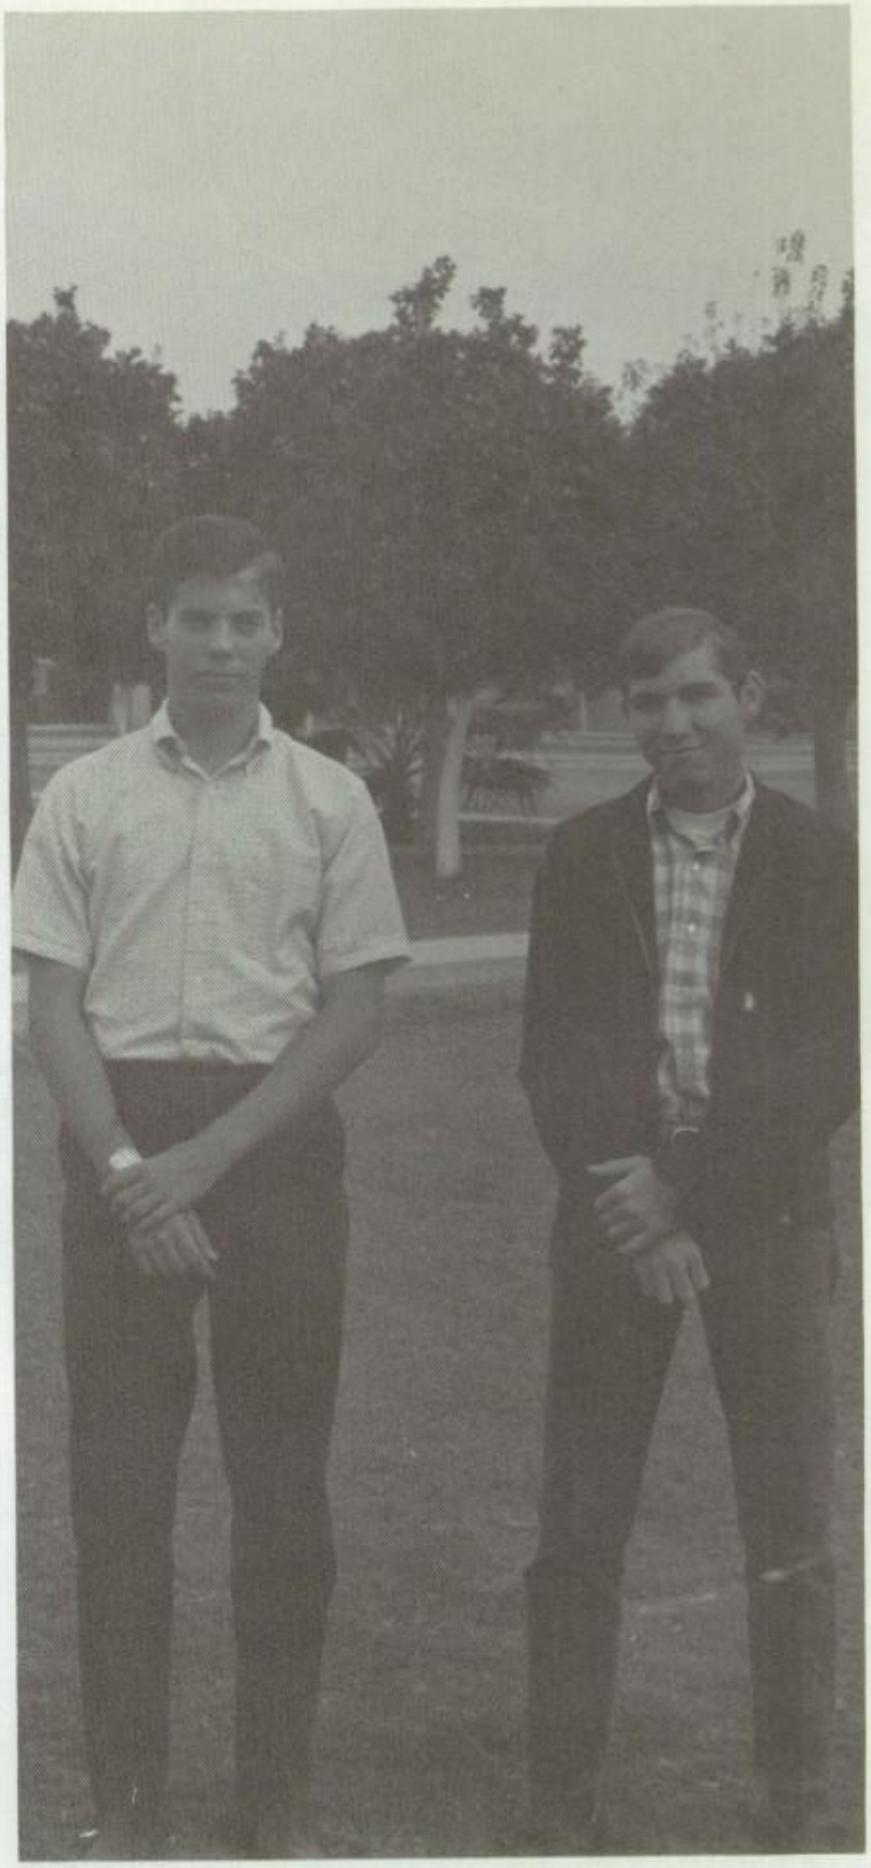
Anytown, Y.F.U.: A Mutual Cause

"Anytown, Anytown, whether you're black, white, red, or brown. Makes no difference when you come to Anytown. An outstretched hand, a friendly face of another creed, another race, we all are brothers by God's grace at Anytown."

This is the basic theme of Anytown, Arizona, a human relations camp in Prescott. It is held the first two weeks after school is out and is divided into two one-week sessions. North sent three delegates this year: Beth Learner, Scott Currey, and Byron Bartlett.

Another way to promote Brotherhood is by Youths Abroad or Youths for Understanding. Student wishing to go to other countries for a year are screened and selected on academic and social standing. This summer Jack O. Nutter went to Germany. This year North is hosting Michael Baehr of Germany.



Junior Byron Bartlett and freshman Scott Currey were just two of four North delegates to Anytown.

North's Jack Nutter and Mike Baehr of Germany were YFU team.

Club Goals: Understanding Man And Arts

Brotherhood

BACK: Byron Bartlett, Don Moody, and Dennis Hopkins.
FRONT: Susan Nelson and Karen Perry.

The purpose of North's Humanities Club is to promote understanding of the arts through class study, and even more importantly, participation in the many cultural events our valley has to offer. Humanities students study the development of the world through art; painting, sculpture, great works in literature, and the flourishing of different philosophies are highlights. As a special project, Humanities Club presented "An Evening Under The Stars."

The Brotherhood Club, under the guidance of Mr. Sidney Kogan, worked hard to sponsor delegates to Anytown. They held bake sales, a dance, and produced a skit for an assembly. The purpose for Brotherhooders is to create an understanding and friendship between all people.

Polls Operated Efficiently

Members of Elections Committee were responsible for supervising all elections.

They set the voting dates, had ballots printed, supervised voting procedures, and counted ballots. After counting all ballots, the members posted the outcome to inform the Student Body.

This year an amendment was added to the constitution that established all elections on the basis of plurality, abolishing the past form of 51% or majority vote.

Elections Committee Members were composed of students who submitted applications which the Executive Committee reviewed.

Honor Court: A New System

This year the Honor Court instituted a new point system and abolished the Citizenship Honor Roll. Under the new system, if a student received six points, a letter was sent to his parents. Seven points made a student subject to detention, and a total of nine points resulted in suspension. As in previous years Honor court was held during 7th hour. Mr. Stanley Cardon was the advisor this year.

Phil Konomos, Jan Jennings, Donna Marcum and Tom Miles discuss a perplexing Honor Court case.

Dave Sorenson, Sandy Elias, Phil Konomos, and Jan Jennings take a break during a busy Honor Court session in mid-term December.

FTA Cafe & Control A Learning Process

Members of the cafeteria control board were in charge of keeping order in the cafeteria, preventing students from cutting in line, and keeping the trays and books off of the tables and chairs. They were chosen by the Executive Committee on the basis of personality, previous to school, and willingness to devote their lunch hour to supervision.

Future Teachers of America was an organization for students interested in careers in the teaching profession. Members held bake sales to raise money for students to attend a convention in Flagstaff. All F.T.A. members will attend.

Closer harmony was present this year, and the result was less confusion and more joy out of meeting deadlines together. The staff worked one hour a day, after school and came in often at night to finish the tedious work of drawing layouts and writing copy. They were devoted.

Mr. John Pfau, first year advisor, gave many helpful hints for improving the paper. The staff spent many hours besides the one hour a day allotted for newspaper, in an effort to make it great issue after issue.

Kate Woodward and Lydia LaRue, co-editors-in-chief, with the help of Sandi DiScenza, Deena Krainess, Anke Hodenpel, Curt Garrett and their helpers, spent many hours on the planning end of the paper.

The newspaper added several new attractions last year, including "Mustang Mail" and "Sound Off", a gripe column.

Poms And Cheers Boost Mustangs

The 68-69 varsity Pom and Cheer lines helped to boost school spirit throughout the year. They performed at games, half time activities, at assemblies, and also presented members of the various teams with little gifts as a token of their appreciation for Mustang athletics. These girls did a tremendous job all year long, considering the fact that they had no regular class period to practice. They stayed after school, and came in at 7:00 most mornings.

Pom captains were Merilee Wright and Janet Knauss; Cheer captains were Beth Tegarden and Debbie Gallacj. Members of the Pom and Cheer lines were chosen on the basis of both looks and poise at tryouts in late May of last year. Miss Betsy Phelps was this year as in the past the advisor of Pom and Cheer.

When the "call to action" sounded, the Poms were always ready to do their share.

The Band Played On At The '68 Sun Bowl

The North High Mustang Marching and Concert Bands had a most successful year. Selected as one of the most outstanding Marching organizations in Arizona, the Marching Mustangs, one hundred and twenty strong, performed at all football games, and also made a national television appearance in El Paso, Texas, at the Half-time activities at the Sun Bowl Game.

Other marching activities included participation in numerous parades and civic functions. Also the band had four home concerts plus assemblies presented to the student body. There was also a pep band that played during lunch hour on game days.

Director for the second year was Mr. Walter Barr who did an unusual and commendable job.

Under the direction of Miss Katheleen Hergt, the North High Concert Choir was one of the most active groups on campus. The choir presented several concerts for the North student body as well as performing at music festivals and competitions at Arizona State University and other schools throughout the state. They also considered a plan to travel to Flagstaff for an exchange program between high school choirs. Musicians for All-State competition from North high were selected from the Concert Choir. The officers were elected in class.

Choriliers worked on the advancement and perfection of their voices. Considered the advanced girl's choir, they aimed at polishing their voices in preparation for Concert Choir.

Class Of '65 Honored At 1968 Homecoming

The theme of Homecoming 1968 was "Witches, Warlocks, and Whatnots," due to the fact that it occurred on Halloween. North's team was filled with the excitement of the night. Many came to see the game and enjoy halftime festivities. The Class of 1965 was honored in the homecoming proceedings. Shirley Gladden and Mike Collins, last year's royalty, returned to crown Merrilee Wright and Bill Bandhauer as queen and king. Attendants were Seniors — Debbie Gallacci and Janet Knauss; Junior — Shirley Stremble; Sophomore — Becky Wells; and Freshman — Judy Henshaw.

Lovely Queen Merrilee Wright is escorted by John Brooke.

Classes and clubs participated in Homecoming by entering floats for prizes. Sophomores placed first in class float competition, and Silhouettes received first prize for a club float. Floats were constructed during the week previous to homecoming. Generally the floats were finished "on the way to the game."

Future Mustangs joined festivities.

North High Presents

North High's drama department presented J.R.R. Tolkien's "The Hobbit" in early December. The plot of this fairy tale revolved around the adventures hobbit Bilbo Baggins had with his dwarf friends which led him to the discovery of the One Ring and his participation in a war. Bilbo Baggins (played by Bob Moore) and his dwarf friends encountered elves, trolls, monsters, and goblins on their journey.

A large majority of the cast had no previous acting experience. One main consideration in selecting the actors was that the characters were all 5'1" and under.

The trolls played by Bob McClure, Carla Whitney and Dario Travaini all used a heavy English accent to portray their rolls.

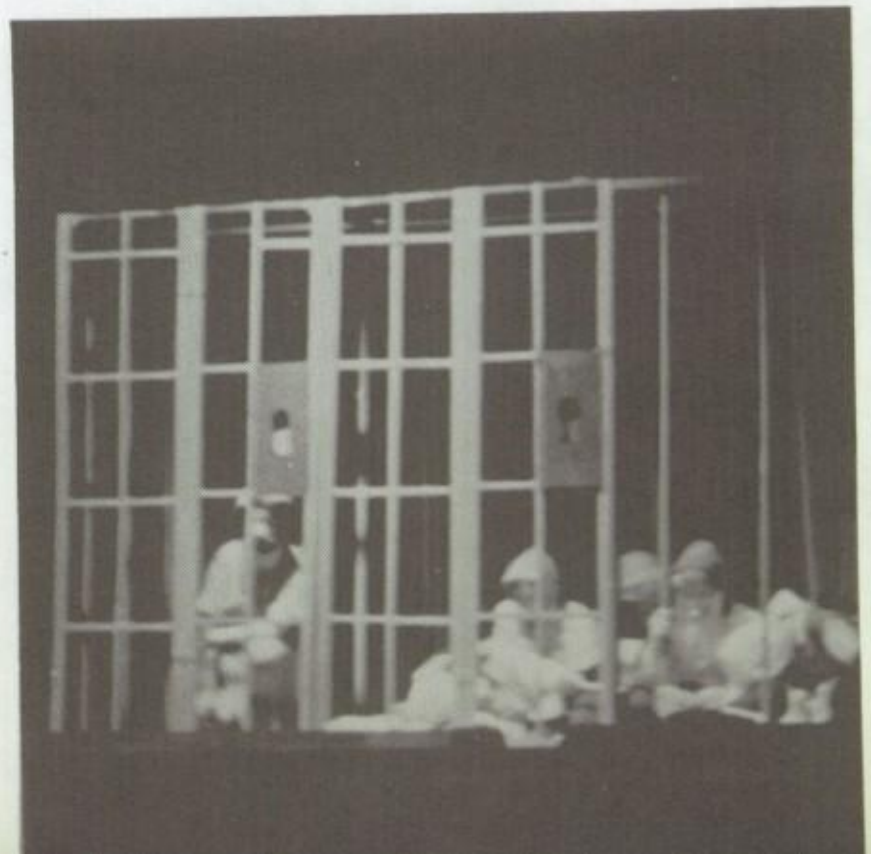
Two of the most unique props used in this play were huge paper maché mushrooms and a large round door. Also the drama department borrowed trees from a Nursury for a more live effect.

The costumes largely consisted of bloomers and tights for the hobbits and dwarfs but the part of Gollum as portrayed by Bob McClure called for a rubber wet suit with gobs of vaseline smeared on to give him a slimy effect.

Most of the cast was unrecognizable due to the fact the dwarfs had pointed ears, long noses, and beards and others had to look like goblins, monsters, or trolls which aren't very becoming to oneself.

The Gnomes meet to decide their plan of action in killing the dragon and capturing his treasures.

While at the right the Gnomes are held in the Eleven Queens dungeon as she also attempts to capture the dragon's treasures.



Hobbit By Tolkien

A round door was used for the entrance to the Hobbit home.

As the Dwarfs listened to the wizard they sat quietly. The Elven Queen graced the Dwarfs with her presence.

Several trees were used to express the fantasy of the play.

Travel Club was organized this year with the purpose of organizing trips in the Southwest. This year the club planned trips to the Snow Bowl and Grand Canyon. These trips had recreational as well as educational value. The membership was open to all and students could have joined just for one trip.

The purpose of Drama Club was to further dramatic skills. This year Drama Club has done various activities including washing airplanes, pawning off baked goodies on poor unsuspecting souls, and developing Mr. Martin's tolerance. They also entered the Drama state competition on March 26 . . . Two plays "Of Mice and Men" and "The Lottery" were presented during seventh hour and certainly showed how sincere Drama Club was. "The Hobbit" was presented at an evening performance and proved very successful. All worked together to make the plays performed, worthwhile to see.

The afternoon lunchtime activities consisted of competetive games such as tug of war, wheelbarrow race, pie eating, and beard-growing contests. There was a jail set up by Student Council to confine anyone who was not wearing rodeo garb or school colors. The people could bail themselves out for a minimum of twenty-five cents. The proceeds went to AFS.

Seniors Face World After Graduation

Seniors today, adults tomorrow, and the theory goes on . . . the years spent at North High have been just four of the many that prepare us for the adult world. The Seniors have been prepared with ideals, knowledge, and friendships that will last a lifetime — now they must face the world.

One asks, "What will I become?" "What will I do in life?" "Will I be successful?" Only time can provide the answer to these questions — time and experience.

Benjamin Franklin offered sage advice when he said, "Do not squander time, for that's the stuff life's made of." The Seniors can only look back on yesterday with fond memories, for today is here, and it offers a challenge all its own.

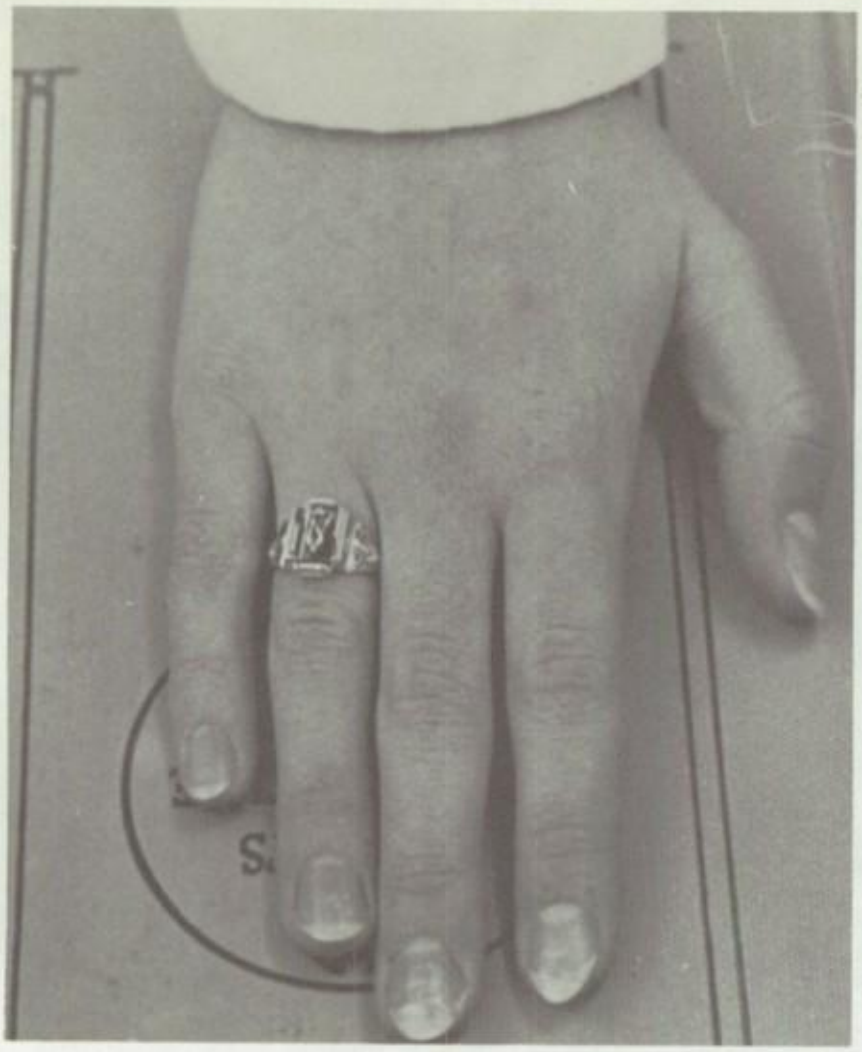
Juniors

Junior Class Officers Were: (Front Row) Janice Bustos, Secretary, Ann Kounouos, Honor Court, Laurie Udall, Girls League, Barb Terry, Treasurer. (Back Row) Lee Falk, President, Russel Garner, Vice-President, Tom Miler, Honor Court.

Juniors Are Active



Juniors were justifiably proud of their class rings which arrived before the Christmas holidays for the majority of the class of '70.

Lee Falk is bullied by Lancers.

Juniors preparing for their last year in high school are well accomplished. The subscription sale and the dance featuring the G.W.B. are just two of the many money raising activities planned. Most of the money made went to the Junior-Senior prom fund. American History, a new language, or proper English could have been part of every school day. Juniors are now on to greater things.

Junior girls were a great asset to North's yearbook, HOOFBEATS, this year, helping with the distribution of underclassmen pictures and other tasks. Eleven of eighteen staffers were Juniors.

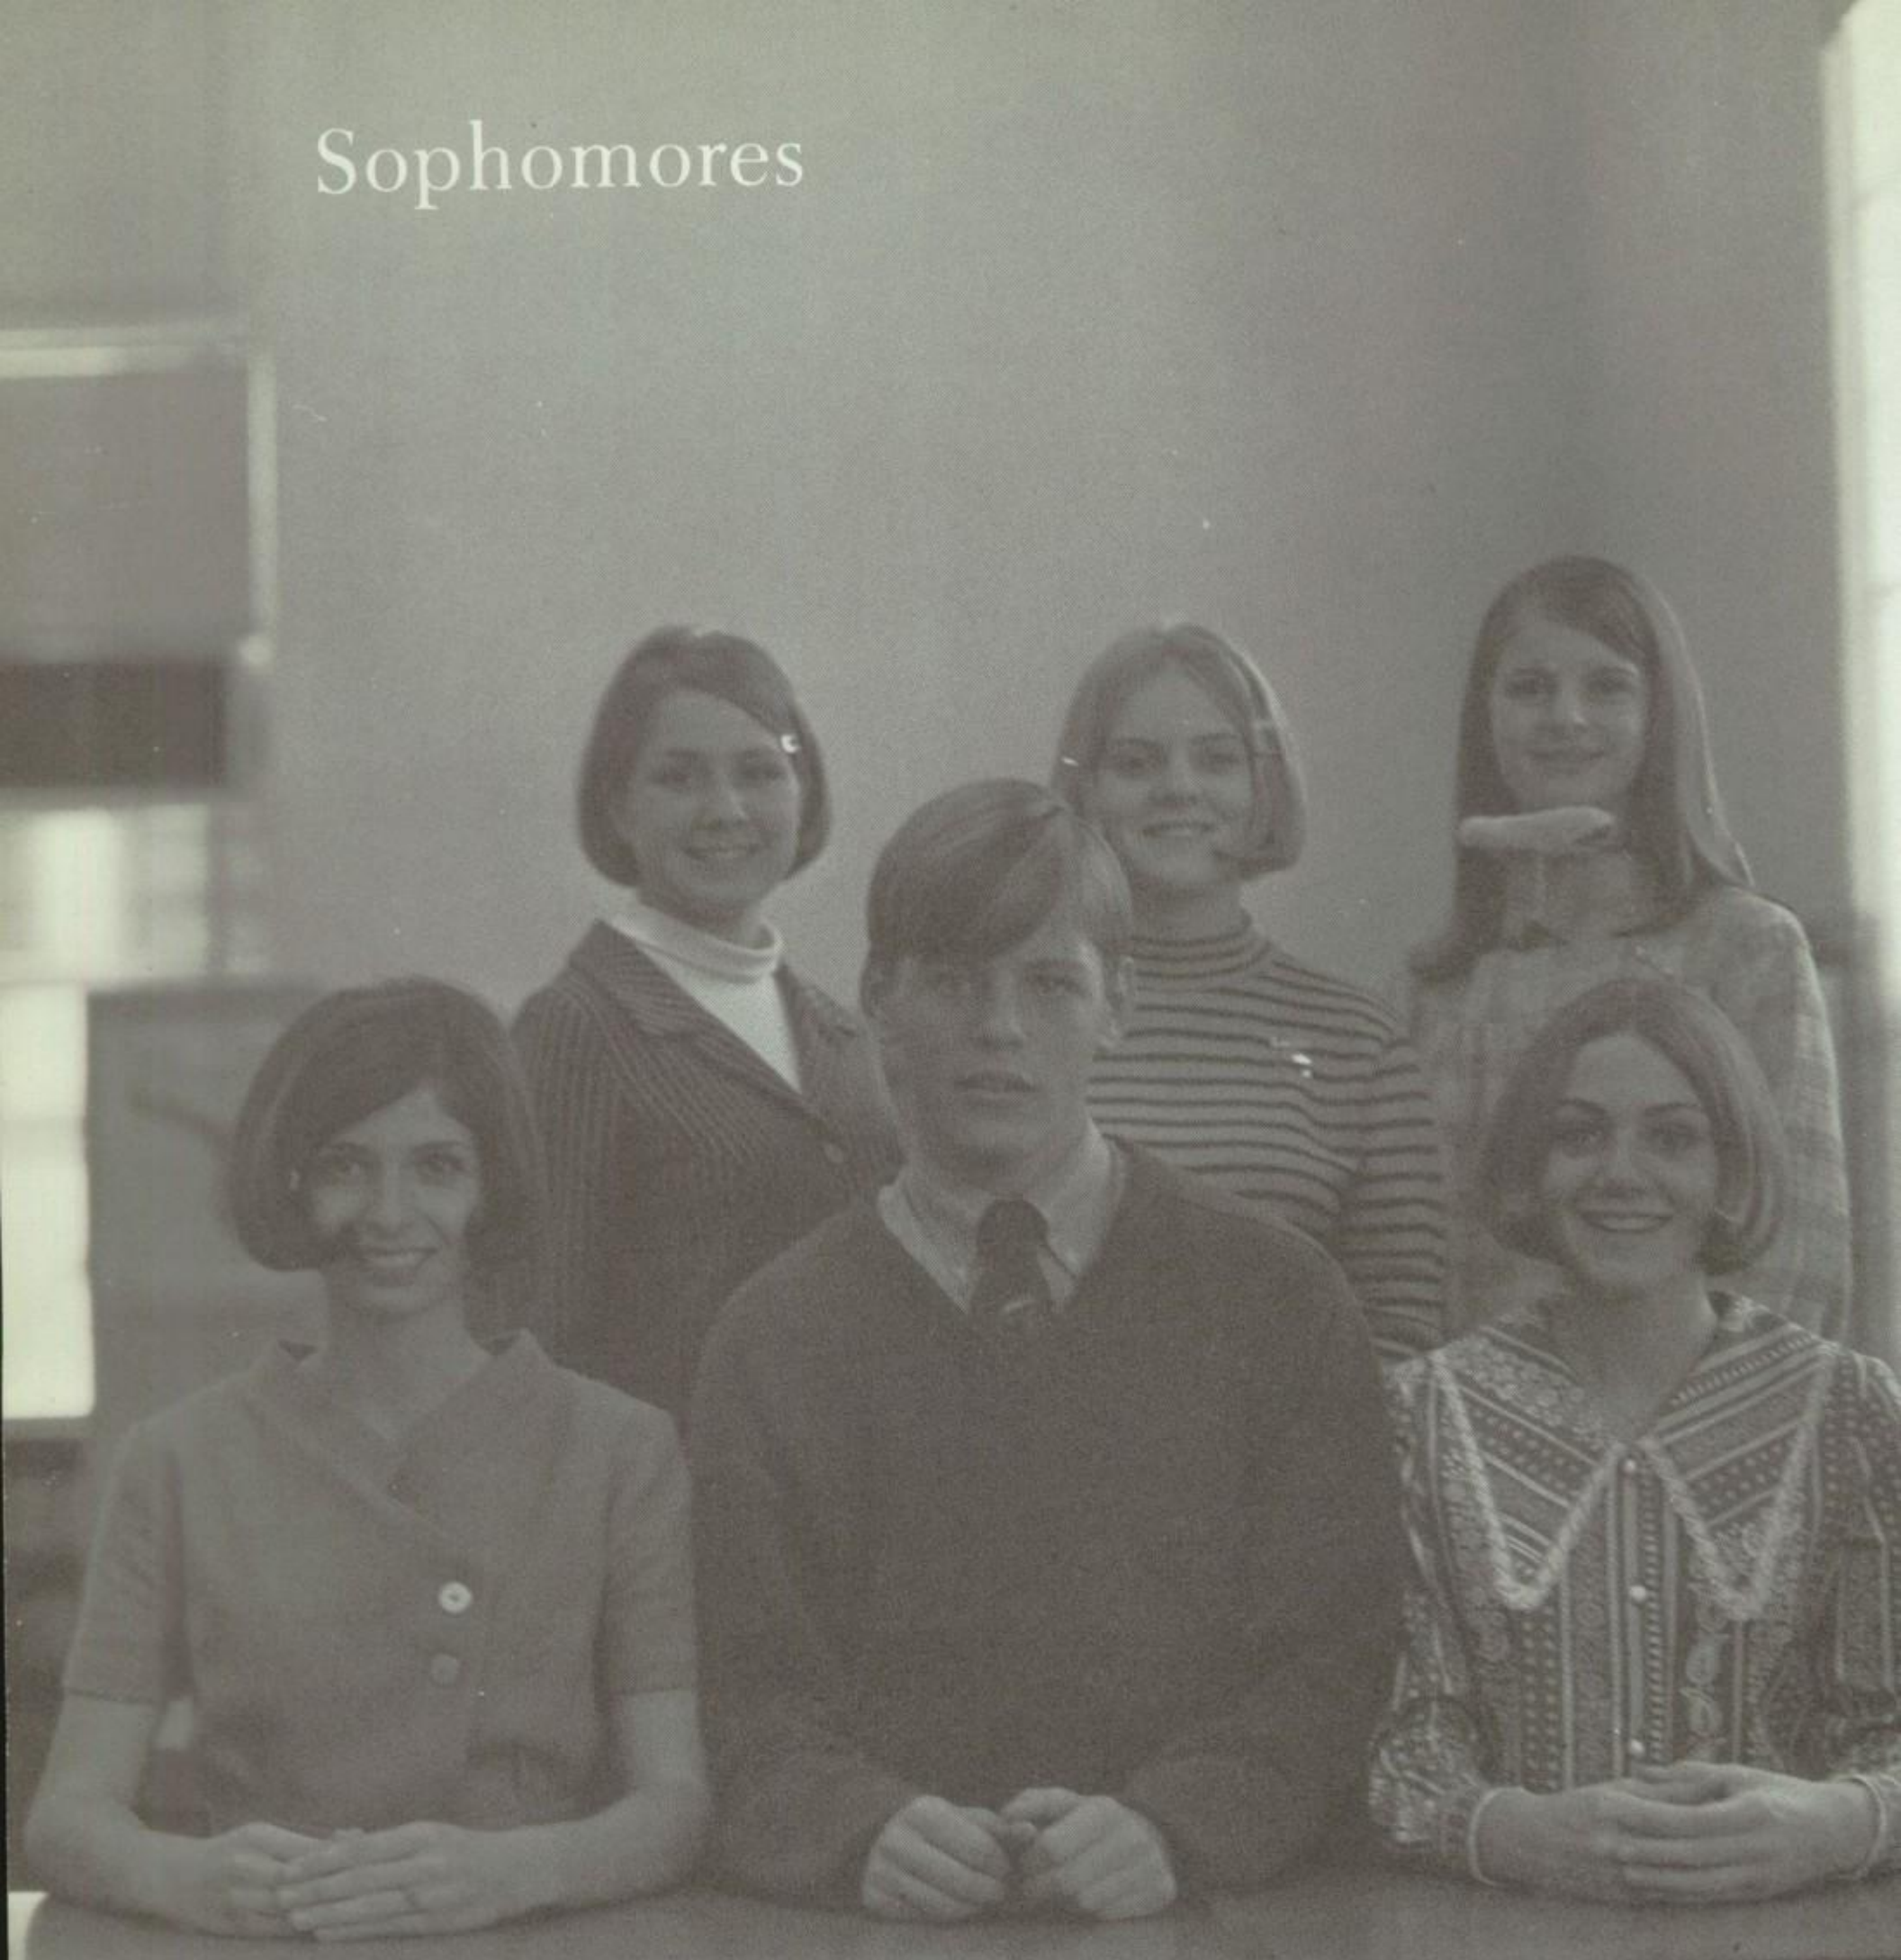
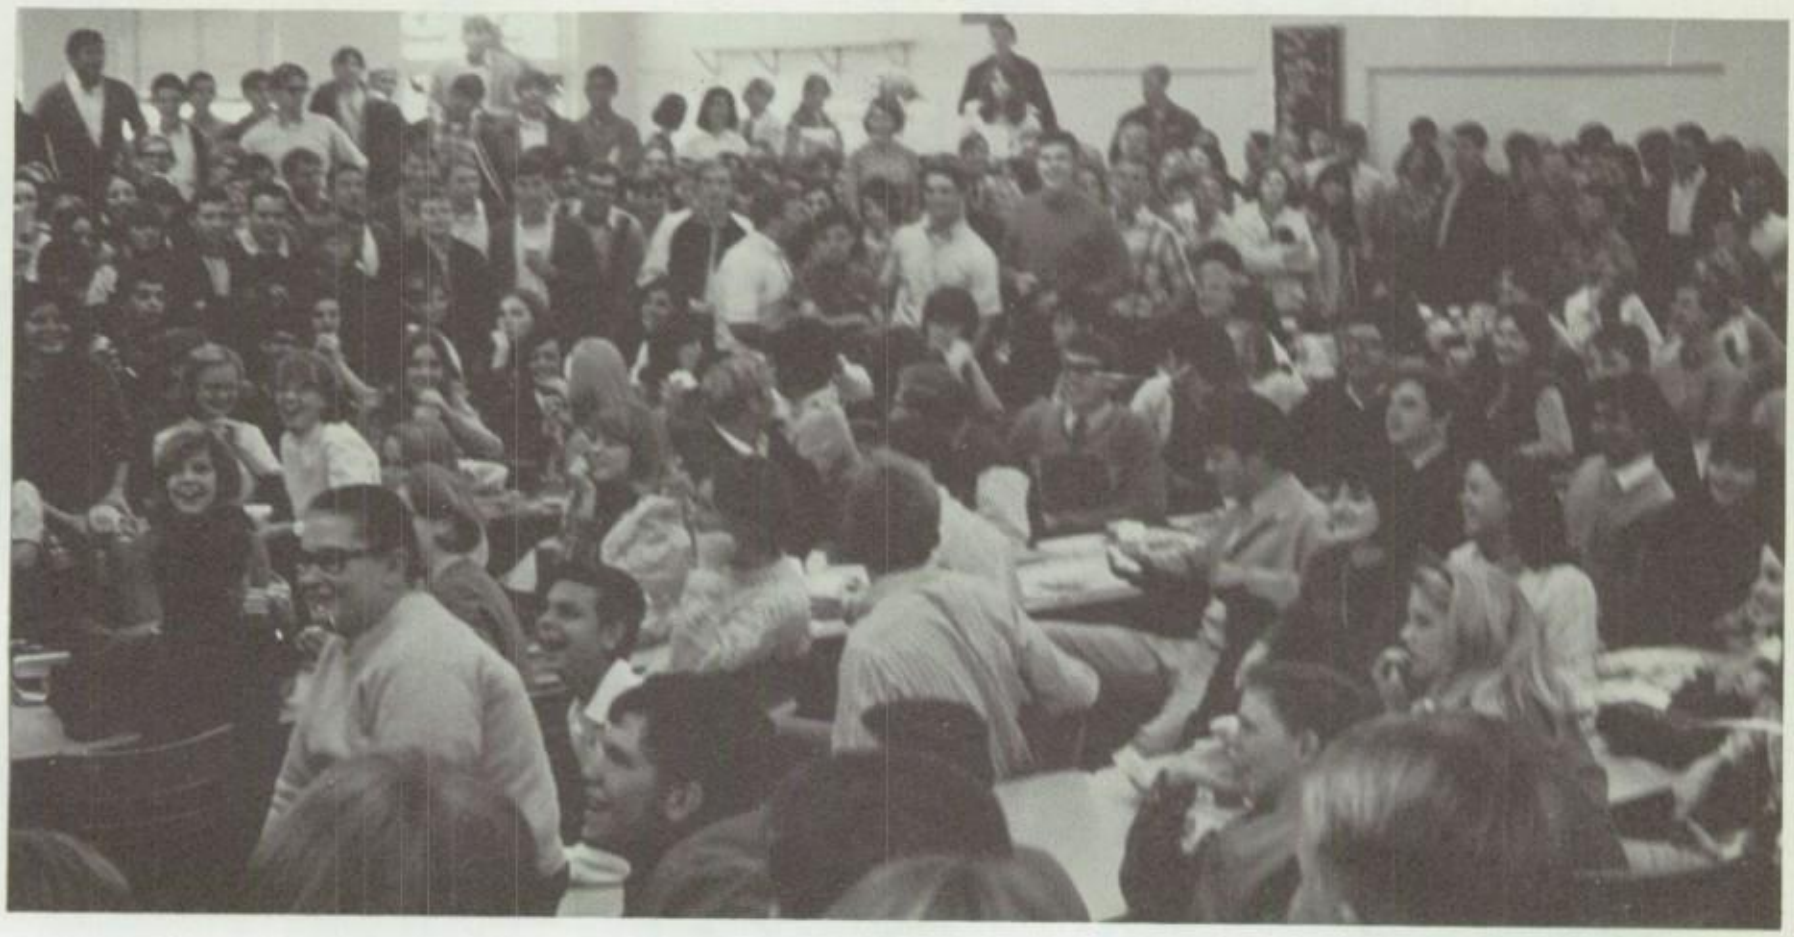
Sophomores



Sophomore Class Officers Were: (Front Row) Barb Balkovlvac, Secretary; John Jackson, President; Stacey Peterson, Vice President; (Back Row) Donna Marcum, Honor Court; Debbie Clark, Treasurer; Terry Southard, Girls League.

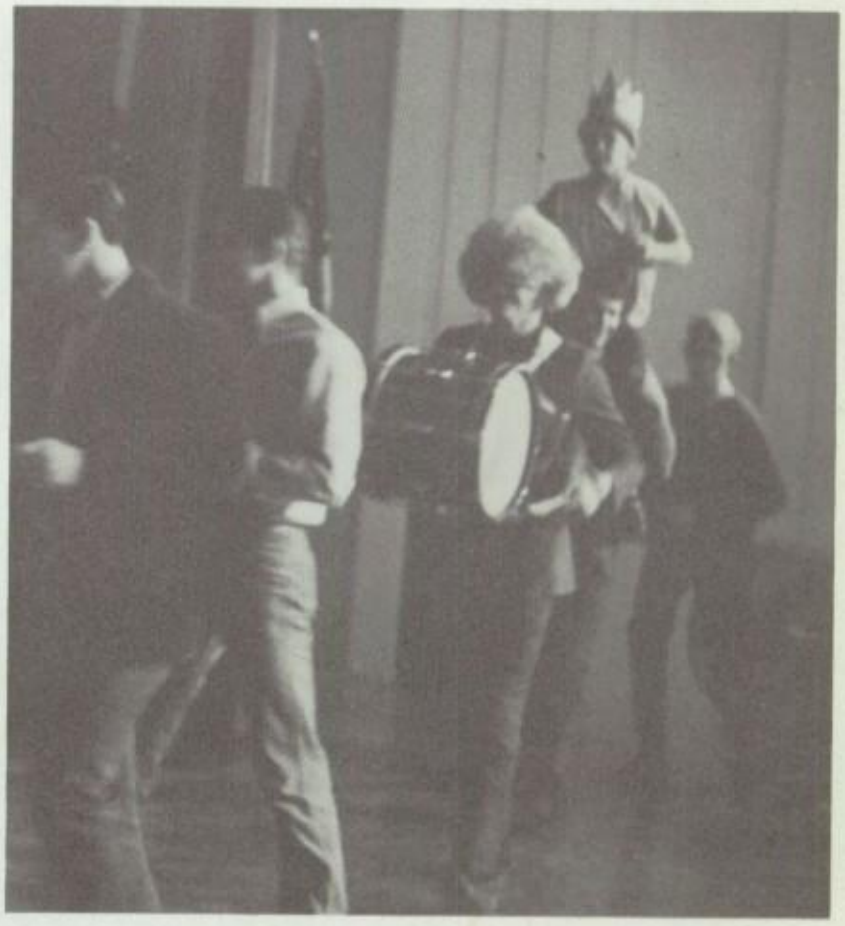
Remember?



Wherever the action was around North High, you could always find Sophomores in the thick of it, such as in this "gathering."

Sophomores, looking back to yesterday, will remember the fun and the work, the people and the problems that belong to their second year in high school. They will remember Randy Yancy, the only Sophomore varsity basketball player, and they'll remember John Jackson, their class President, and all the friends they have gained. The bake sales, the float, the dances were all a part of this year.

Yesterday . . . we were Sophomores.



ABOVE: Sophomores played a big part in the Christmas assembly.
LEFT: Even Sophomores get the blahs studying for semester tests.

Freshman Class Officers: (**BACK ROW**) Rhonda Fanning, Vice President, Farnie Nash, President, Patty Gonzolzes, Treasurer. (**FRONT ROW**) Sandy Elias, Honor Court, Vicki Noble, Girls League, Jo Messana, Secretary.

Freshmen Look To The Future

Easy to take advantage of, the Freshmen are the root of all campus jokes. But time goes on and Freshmen learn to ignore upperclassmen.

Yesterday, we were Freshmen, today we have graduated to higher levels of education and determination. Ernie Nash led our class as president, and our Freshman athletes showed great promise. Our class of 1972, includes leaders, builders of North High, and the class as a whole is support to these people. We will look back to yesterday and see our friends, members of our class, such as Mary McConville modeling in the fashion show for us and Willie Kale, one of the best wrestlers at North, doing what we all do, building a name for our class.

A Long '68 Season

Football fortunes at North dropped to the lowest ebb in several years, as the Mustang gridders suffered through a long 2-8 season. A 29-2 loss to Mesa at the beginning of the season was the first of many for North. Highlights of the '68 season were wins over Carl Hayden and Camelback, both at home. Things should pick up for the Mustangs next year, however, with the addition of several players from a J.V. squad that cruised to a 7-3 season.

NORTH-2 MESA-29

North's eighth-rated Mustangs bumped heads with seventh-rated Mesa in the season opener for both teams. The Mustangs, disheartened after two first period touchdowns were called back, suffered their first loss of the season. Don Duncan blocked a punt for a safety and North's only score.

NORTH-38 CARL HAYDEN-6

The Mustangs came on strong in their first home game, and treated the fans to a 38-6 pasting of a good Carl Hayden eleven.

Leading only 7-0 at halftime, North took to the air in the second half to completely bedazzle the Falcons. Quarterback Gary Carpenter connected with Ron Turner for three of the Mustang scores, and also pitched two more T.D. tosses for a new North High single game record.

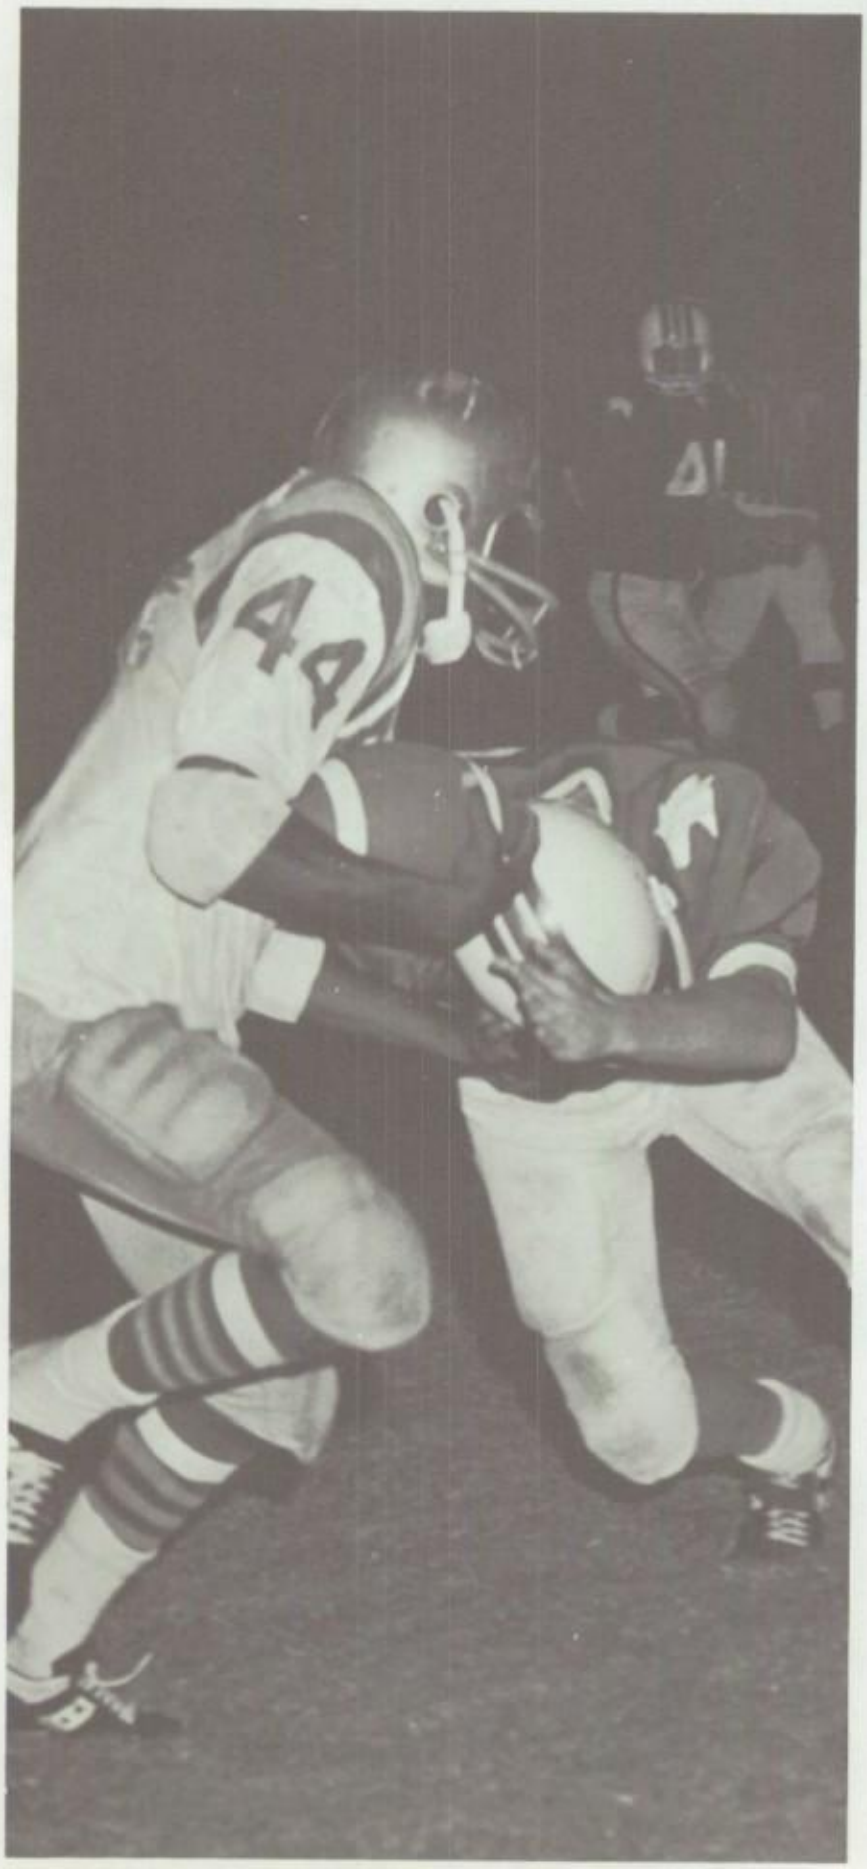
RIGHT: Ron Turner breaks away from a Phoenix Union tackle for a good gain. **BOTTOM:** Carl Hayden's elusive Ron Neal is stopped cold by an unidentified Mustang.



NORTH-0 PHOENIX UNION-12

North, who had been rated number 10 in the state going into this game, suffered from "Overconfiditis" and was blanked for the first time in many years by the Phoenix Union Coyotes.

NORTH-33 TUCSON-53

This was one of the most exciting games of the year, as North challenged then Number 1 Tucson at Badger Stadium.

Gary Carpenter tossed two T.D. passes to Ron Turner, and one to Wayne Rogers. Bandhauer and Kale scored on runs for the Mustangs.

NORTH-24 CAMELBACK-7

Ron Turner scored on a 65-yard pass play, and Bill Salyer erupted for three touchdown runs to lead North past a confused Camelback team. The victory was highlighted by the recovery of four onside kicks against the Spartans.

Ron Turner leaps high in the air to pick off a pass intended for a P.U. end.

NORTH-7 SOUTH-27

The South Mountain Rebels dashed Mustang hopes as they took the Phoenix Conference B League opener, halting North's winning streak at one. There were bright spots in the game, though, such as a 58 yard scoring pass from Gary Carpenter to Ron Turner.

NORTH-13 MARYVALE-20

North jumped out to a 7-0 halftime lead but still lost the first homecoming game in the history of the school. North's first score came on a 30 yard run by Bill Salyer. The Maryvale Panthers came back in the second half to score twice in the third quarter and once in the fourth. North's final score came on a four yard plunge by Dick Souder.

NORTH-6 EAST-20

East avenged the 24-7 drubbing handed them at North last year on the Mustang's homecoming. The Longhorns jumped out in front of North to take a 14-0 halftime lead and were never headed. The one bright spot in this game was Cleve Kale's 24 yard run in the third quarter for six points. Jim Bandhauer played a good defensive game with two pass interceptions.

Fullback Bill Bandhauer runs into some stiff competition as he tries to grind out yardage against P.U.'s Coyotes.

Bill Salyer (31) picks up blocks enroute to a big gain against the Tucson Badgers.

NORTH-6 CENTRAL-27

North scored first in a muddy battle against Central when Dave Brookins took a ten-yard scoring pass from Gary Carpenter. It was all Central after that, though, as the Bobcats built up a 20 point lead to win the game going away, and the dubious distinction of "Mudbowl" winners.

NORTH-20 WEST-40

West ran the opening kickoff back for a touchdown, and set the trend for the whole game. John Workman caught two touchdown passes, and Bill Bandhauer and Greg Britton each tallied once for the Mustang scores. West built up a 27-13 halftime lead that was impossible for North to overcome.

ABOVE: Cleve Kale looks for running room in the muddy battle against central. **LEFT:** Bill Bandhauer scores against West.

JUNIOR VARSITY: **ROW ONE** — Don Welser, Paul Zink, Rodney Ball, Bob Whiteman, Lee Weaver, Bob Fierros, Collie Jackson, Phil Galbreath. **ROW TWO** — Jim Shear, Vince Martinez, Larry Faust, Steve Houser, Shane Pappas, Rich Skaggs, Asa Herring, Alax Garcia, Harold Sheeran. **ROW THREE** — Coach Tom Cooper, Chalmar Stamper, Scott Currey, Jim Fisher, Jim Chaudoin, Jack Allen, John Raffaele, Mike Arndt, Steve Woodward, Coach William McDermott. **ROW FOUR** — Joe Sotello, Pat Brown, Bob Laurie, Mike Melton, Greg Bush, Greg Kelly, Pat Scannell, Gregory Brown, Bob Van Horn.

7-3 Season For J.V.

As unsuccessful as the Varsity team was this year, they provided a fine contrast for the Junior Varsity Mustangs. Rolling to a 7-3 season, the JV footballers showed that perhaps the North High football drought would only last one year. North was very impressive in wins over Carl Hayden, 47-6, and West, 45-13. The only losses of the season were to Mesa, 13-21, Alhambra, 6-7, and Marysvale, 13-27.

RIGHT: Elusive Collie Jackson is momentarily halted in a J.V. game played at North High.

FROSH FOOTBALL TEAM: **TOP ROW** — Fred Floyd, Alan Shipley, Gary Dodson, Victor Bonner, Jim Arnold, Robert Burgess, Bill Kean, Kenneth Mylo, Gabriel Salarez, Vern Greer. **ROW TWO** — Coach Ted P. Morgan, Clinton Reidhead, Doug Kirkman, Mark Monroe, Bryan Fitts, Jim Finch, Mark Davis, Rich Musselman, Coach Blake Moffat. **ROW 3** — Mike Laurie, Clary Childress, Angelo Tavlarides, Mark Herring, Robert Mirando, Casey O'Neal, Ernie Nash, Karl Kloberdanz, David Walkch.

Frosh Tip East, 20-19

North's Frosh, encountering several problems and perhaps an injury or two, thundered to a 3-7 season. The only wins this year's herd of baby Mustangs found were against East, 20-19, Phoenix Union, 27-26, and West, who forfeited. Players expected to develop into Varsity caliber are backs Ernie Nash, Mark Davis, Jim Arnold, Gabriel Salarez, quarterback Bryon Fitts, and linemen MikeLaurie, Bill Kean, and Mark Herring.

LEFT: Mark Davis, Frosh halfback, leaves East behind enroute to a touchdown.

Cross Country

1968 Varsity Cross Country Team: **FRONT ROW:** Jesse Morales, Chad Slocum, George Morfin, Joe Paz. **MIDDLE ROW:** Douglas Clark, Curt Kinsey, Bob Herrera, Terry Hatton, Coach Rob Houser. **TOP ROW:** Chris Cardon, George Georgiou, Steve Halbest, Dave Clark, Norm Germroth.

Cross Country '68

Cross Country is a lonely sport, one that doesn't have its throngs of screaming fans, exuberant cheerleaders or the school marching band. It is, according to North High's cross country coach Ron Houser, "A sport of self-improvement."

The Mustang thinclads ran a total of over 400 miles in practice during the season, yet did not capture a single meet. What accounts for their determination? The aspect of self-improvement. If you can't beat the other guy, challenge yourself.

Two of the closest losses for North were to East 36-21, and to Central, 38-19, where the harriers improved as much as 40 seconds over their best meet time. Chris Cardon, a senior, and freshmen Jesse Morales, George Morfin, Bob Herrera, and Curt Kinsey received praise.

Coach Houser checks team captain Jesse Morale's time against Alhambra.

Senior Chris Cardon's face shows the grueling punishment a cross country runner must endure to cover a long distance course.

Jesse Morales finished fourth in the meet against Alhambra held at rugged Papago Park — two miles of hills, cactus, and gravel.

No. Ten In The State!

North's Mustang Cagers finished the best season since 1966 with a respectable 15-7 record and a number 10 ranking in the state.

The Mustangs had one of the tallest teams in Arizona with 6-9 Mark Wasley, 6-7 Nick DeRonde, and 6-6 Gary Carpenter heading the front line. Many frustrated opponents soon learned the Mustangs had rebounding power on both boards second to none.

Highlights of the season were the winning of the East-West Christmas Holiday Tournament, and a convincing 72-57 home victory over archrival Pheonix Union that shot North to a short-lived number 4 ranking in the state.

Seniors Mark Wasley and Gary Carpenter brought more honors to the Mustangs as they were chosen to the all-city team at center and forward, and Wasley made all-state.

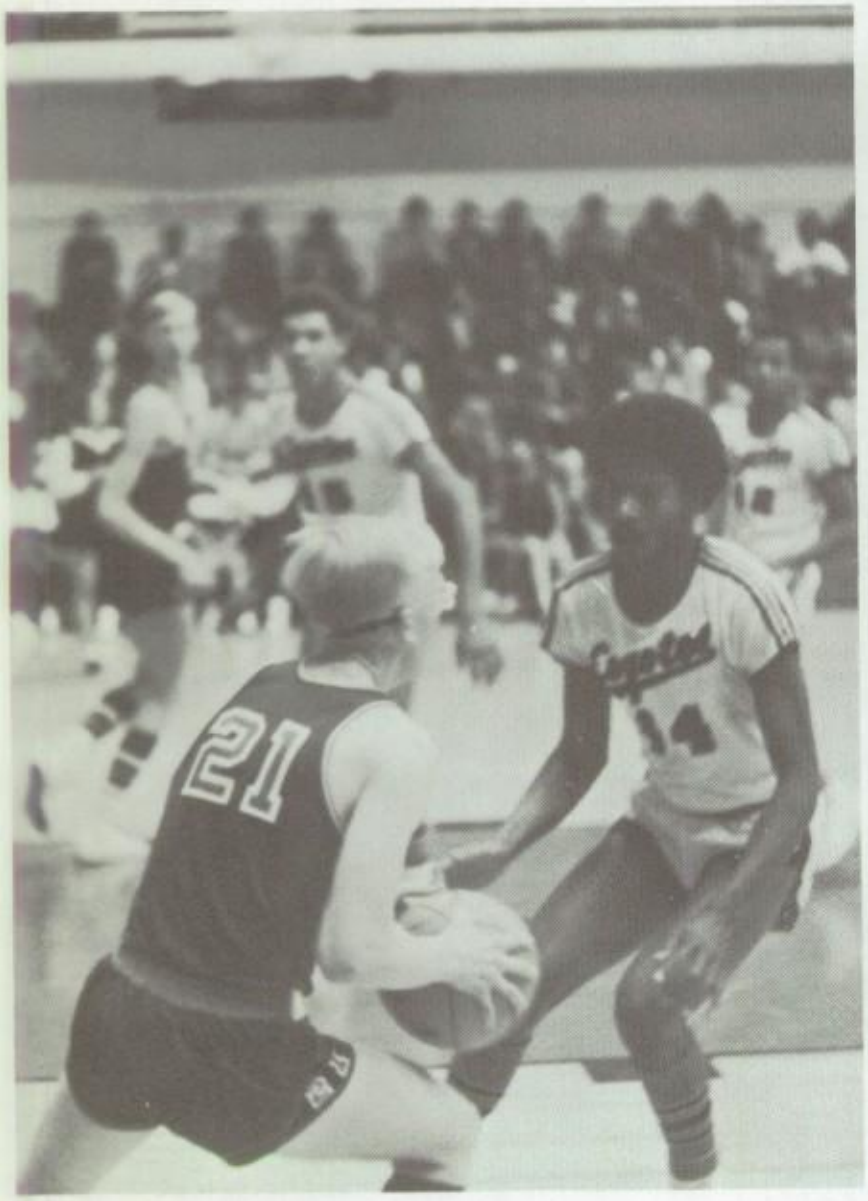
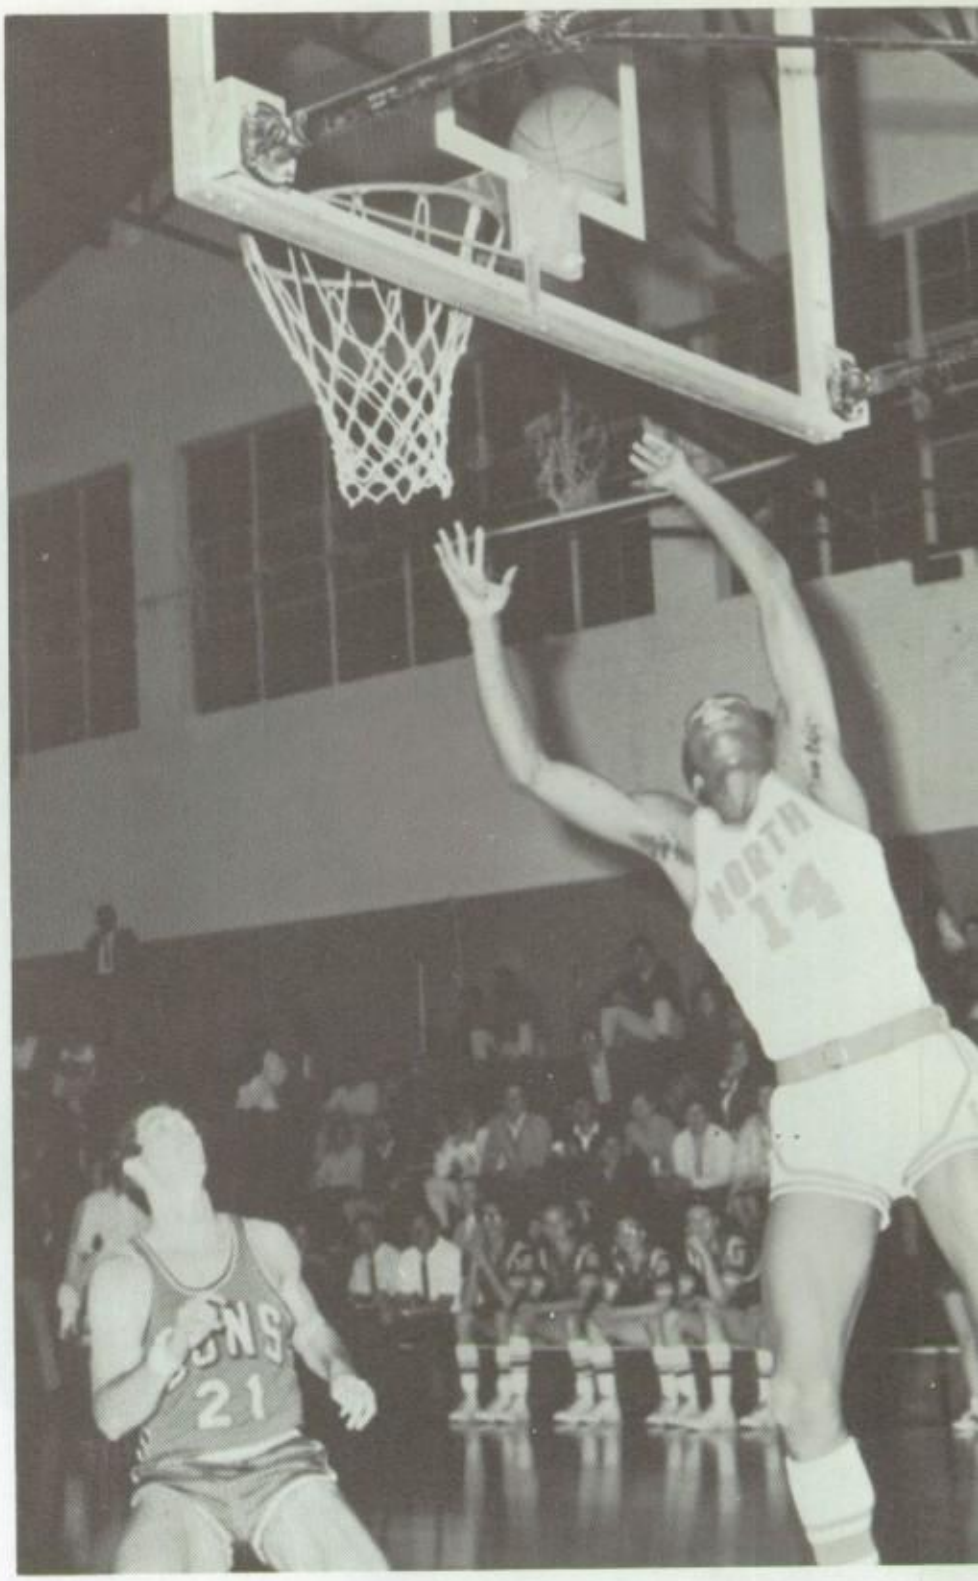
North Drops Dons



Guard Dick Dickson starts to drive around a Phoenix Union defender.



Everyone contributed to a very successful basketball season for the Mustangs. North had its individual stars, but it also had a team effort, featuring the quickness of Ron Turner, above scoring two of six points against visiting Coronado. North playmaker, Dick Dickson had a solid night against the P. U. Coyotes, in the pack's own den, to make his contribution to the game effort. Gary Carpenter, left, used his 6-6 height to good advantage both on defense, and for putting points on the board for the Mustang offensive cause.

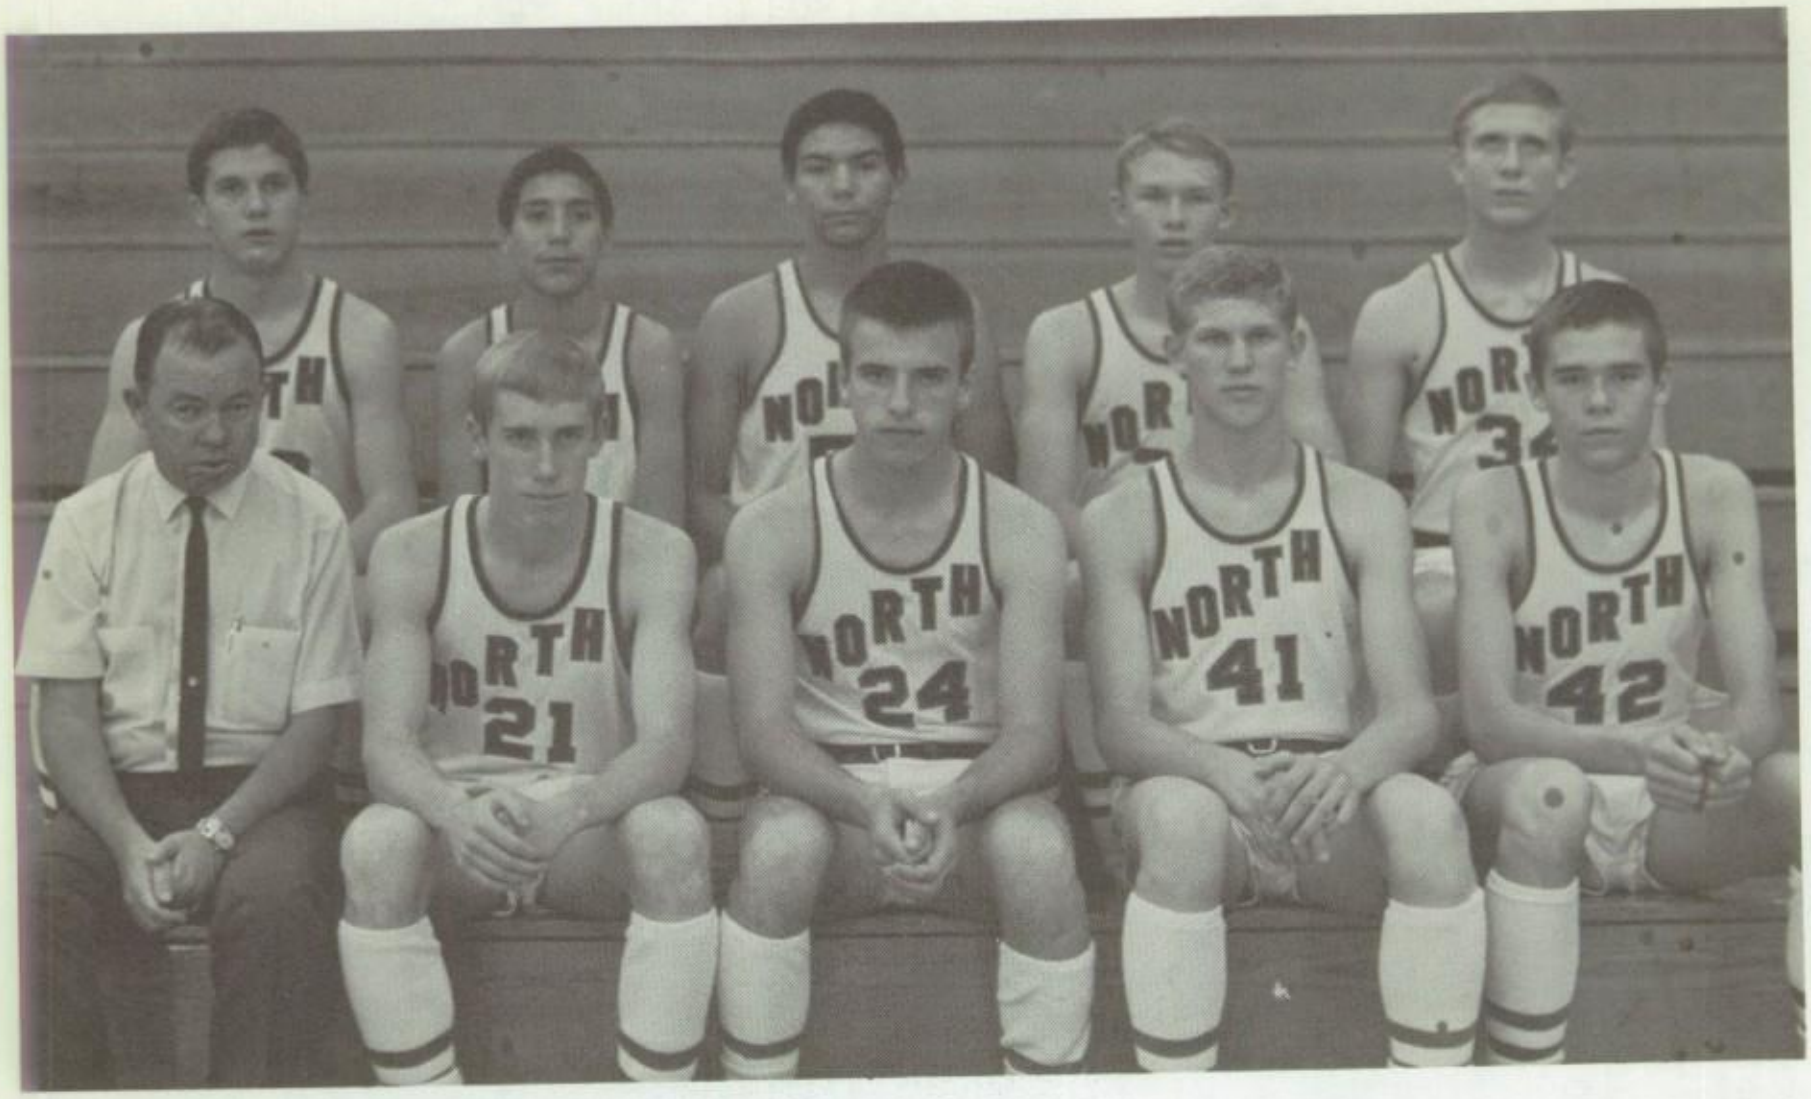
Left, Mark shows his defensive skill, picking off a rebound against Phoenix Union's jumping-jack Coyotes. He was no slouch on offense either that night, pouring in a total of 32 points against archrival P. U.



Junior Varsity Team: **TOP ROW** — Rodney Ball, Richard Moreno, Bob Moreno, Dave Clark, Mike Melton. **BOTTOM** — Coach McDermott, Greg Kelly, Paul Zink, Dennis Lee, Greg Sylvester. **NOT PICTURED** — Mark Cordova and manager Paul Vannasdale.

Experience Gained

The JV cagers suffered through a losing season, playing such stiff competitors as Salpointe in Tucson, Alhambra, East, Coronado, and Camelback.

The junior Mustangs gained the valuable experience needed to achieve varsity status in the years to come. Coach McDermott described his JV team as "A fine group of boys to work with." He mentioned Bob Moreno, Mike Melton, Greg Sylvester, Rodney Ball, and Dennis Lee as contenders for possible varsity berths for the '69-'70 season.

Wrestlers Gain Needed Experience

Heavyweight Wes Thompson prepares to Tie up his East High opponent.

The 1968-69 wrestling season was really one of trial and error. North sent an underclassmen-dominated mat team into the grappling wars with nothing more than raw courage and a prayer. Although the Mustang matmen won few meets, the experience gained in matches with the toughest teams in the state proved invaluable to next year's team. Senior heavyweight Wes Thompson was the only loss for new coach Sanchez.

Wrestlers to watch next year, according to Sanchez, are Willy Kale, Lee Weaver, Oly Cowles, Jose Sotelo, and Bob Fierros.

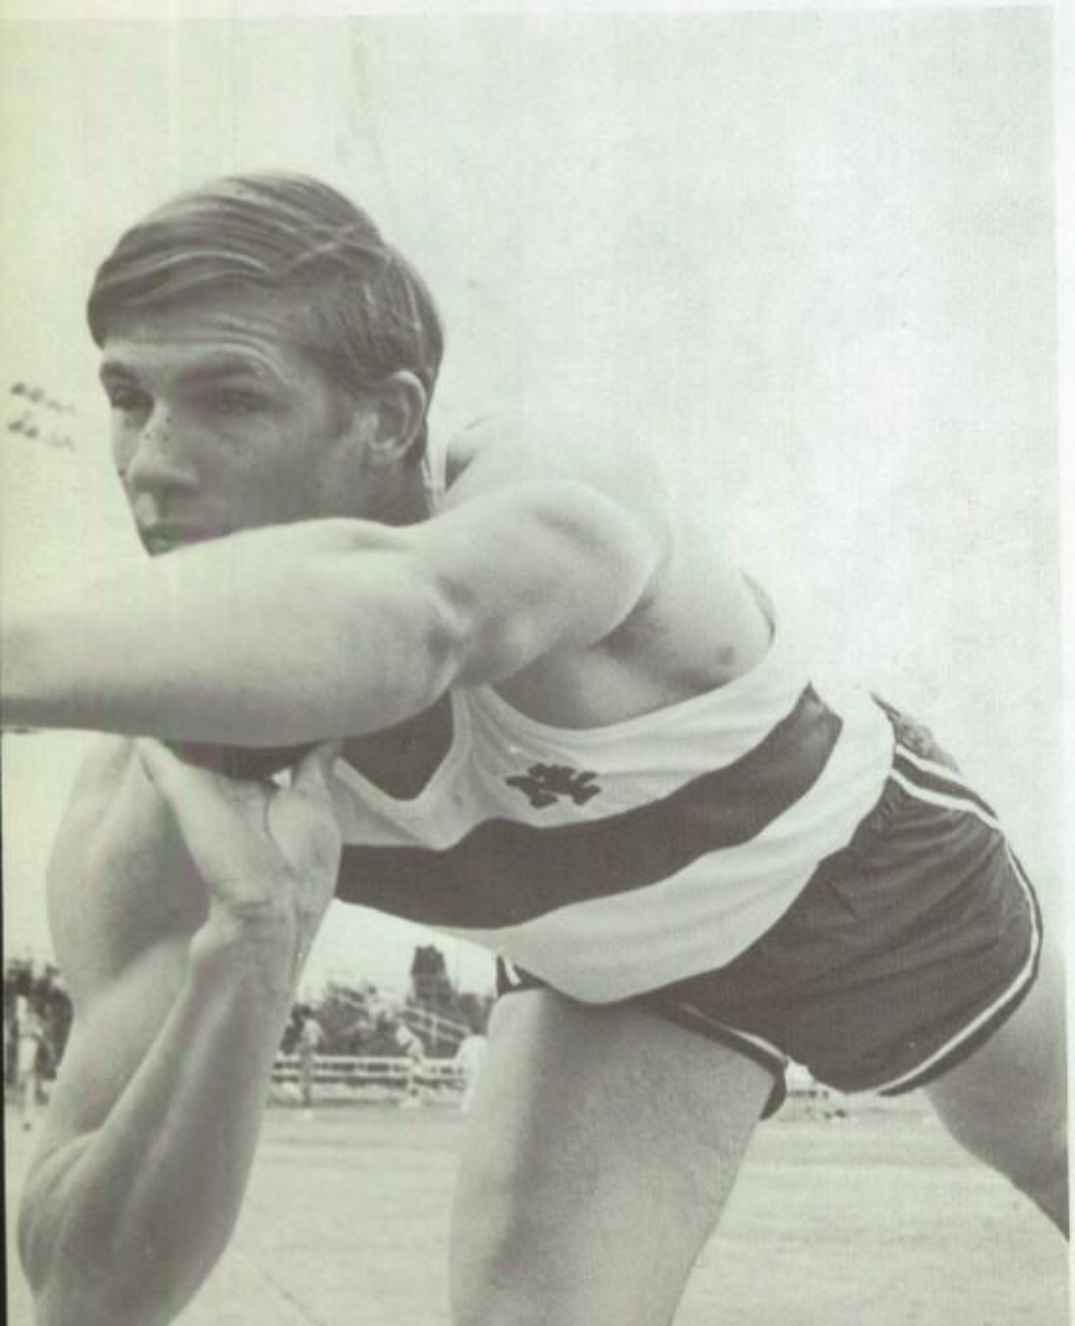
Freshman Bob Herrera turned in a good first place time of 2:08.5 in the 880.

Pat Blair goes up and over in the high jump against the Washington Rams.



Herrera Promising

As of yearbook presstime, the North High track team looked like a team composed of individuals, several outstanding in their events. Coach Houser bemoaned the lack of depth in the running events, which cost the Mustangs points.

The Mustang mentor had high praise for freshman Bob Herrera, who took a first in the 880 against Washington, and the following: Tom Large, hurdles; John Mathews, shot; Stan Jordan, discus; Cleve Kale, pole vault; and Chris Cardon in the high jump and broad jump. Several position changes were planned to correct the teams' weaknesses.

Stan Jordan gets ready to unload the shot in North's first meet of the year. Although he didn't place first, he did capture a first in the discus throw.

Baseball

North Nine Off To A Shaky Start

At yearbook presstime the North High baseballers had gotten off to a shakey start, dropping a 6-0 ballgame to the Alhambra High Lions, and a close extra-inning 4-3 loss to the Carl Hayden Flacons. Much of the success or failure of the '69 diamondmen rode on the shoulders of veteran pitchers Bill Bandhauer and Danny Cole. Bandhauer carried a 6-1 record into the 69 wars, and Cole had a 4-7 record.

Centerfielder John Workman was a defensive standout, and the hits were gathered by Chuck Stocks, Ron Erickson, and Wayne Rogers.

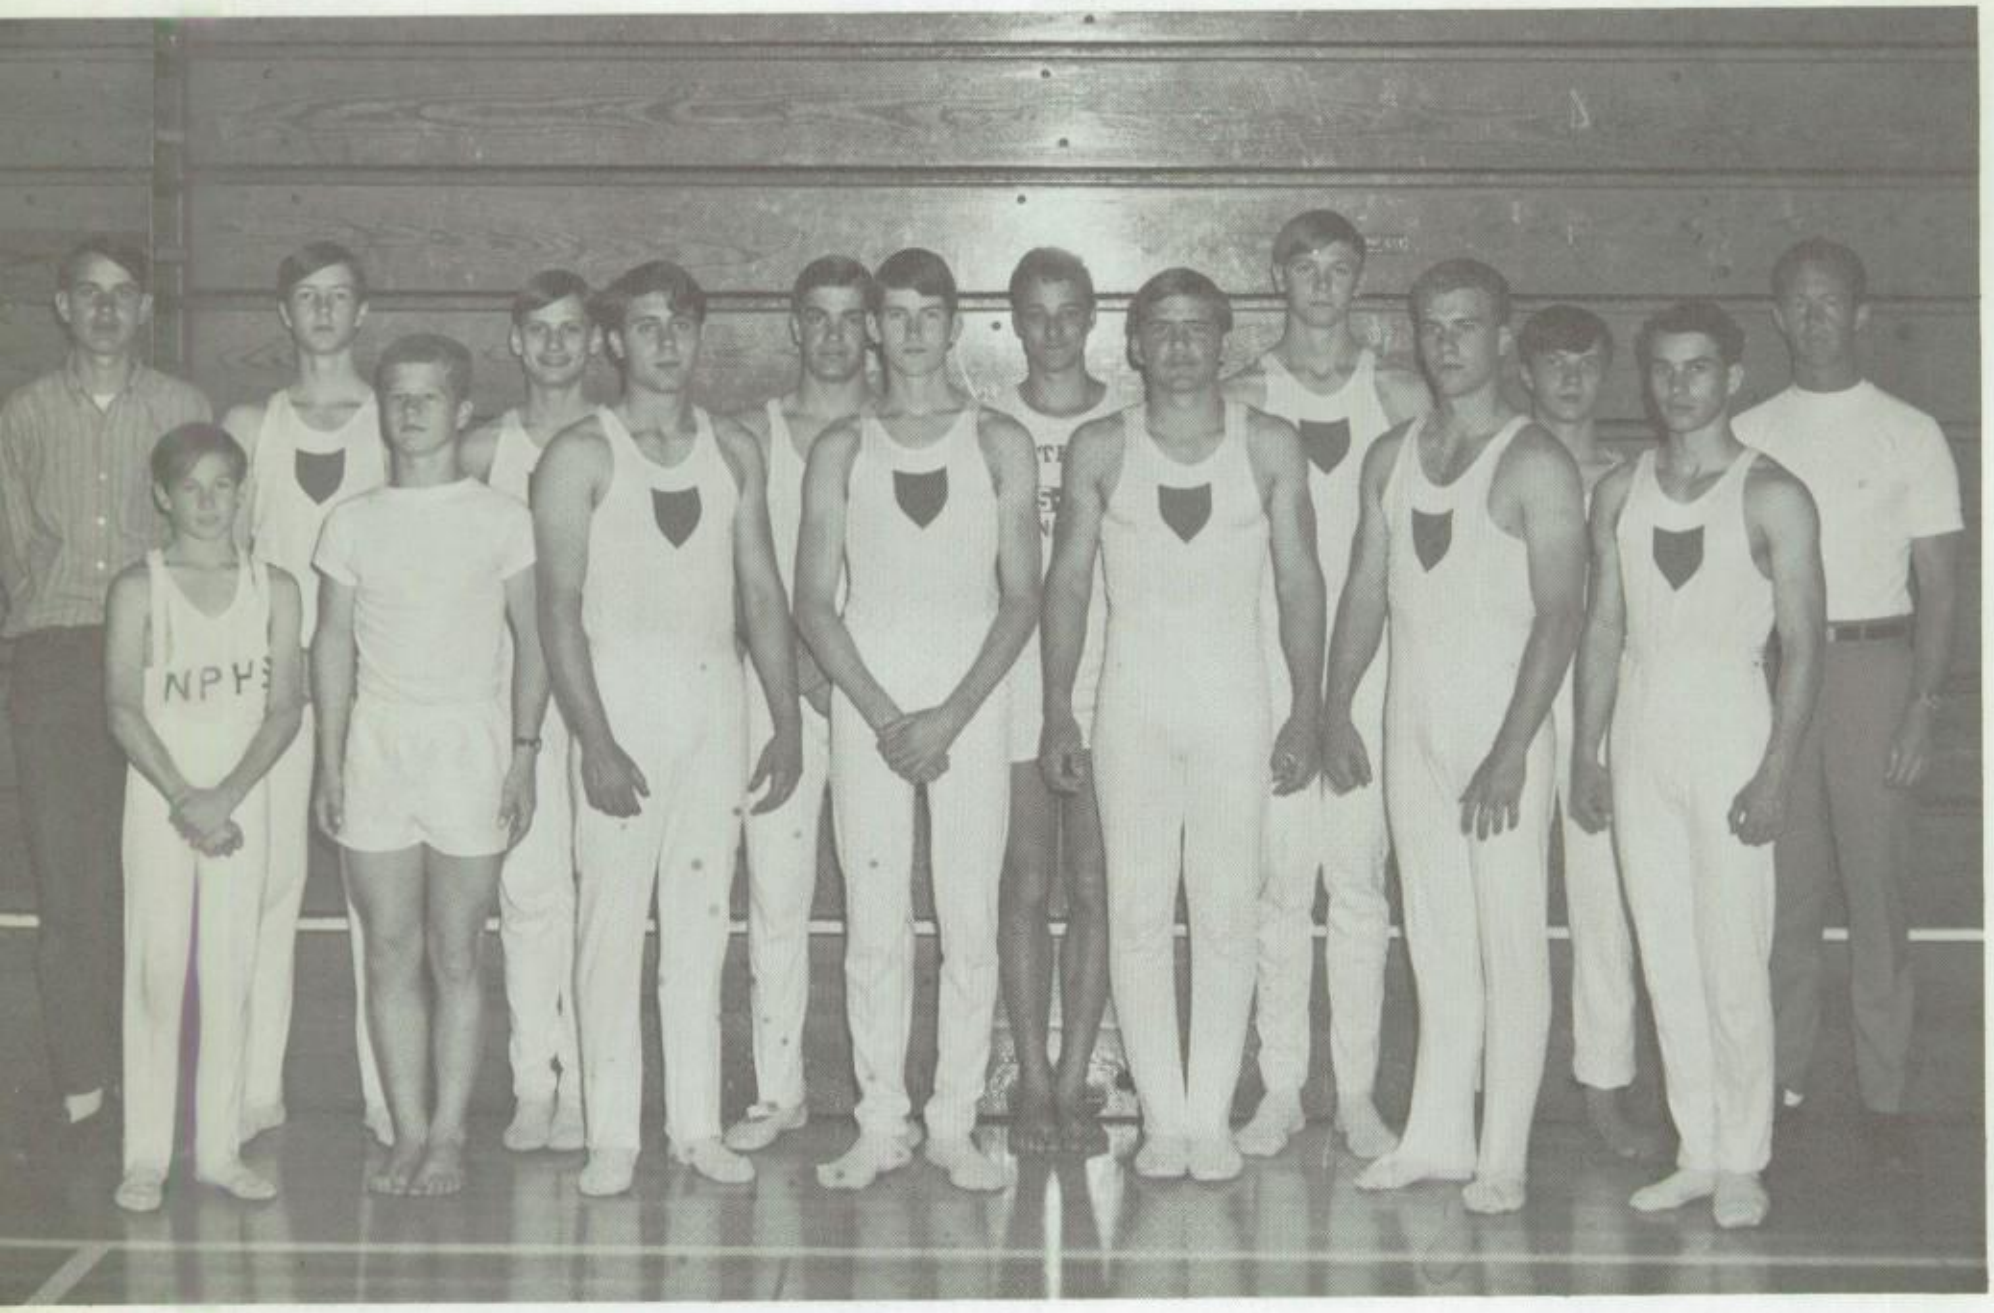
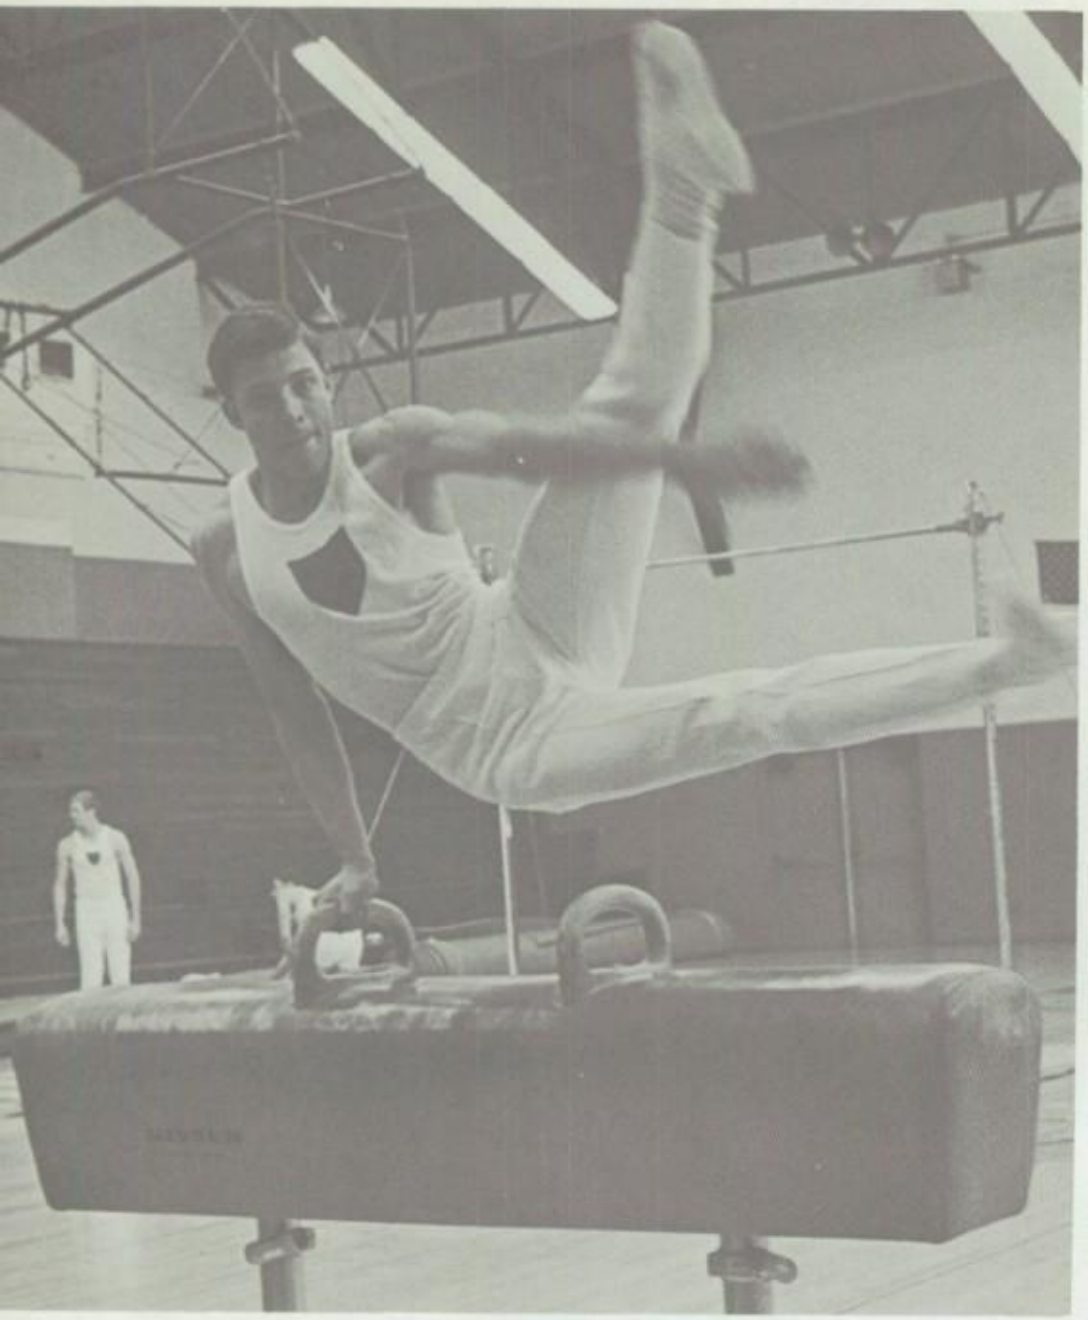
Tough Foes For Gymnastic Squad In '69



1969 GYMNASTICS VARSITY-John Baker, John Albrecht, Carl Mriss, Garland Wilson, Robert Adams, Mike Warren, Chet Gunkel. **BACK ROW** — George Gunkel, manager, Brian Payne, Howard Piercefield, Dick Davenport, Greg Lynch, Steve Soroka, Dennis Zelner, Coach Halley.

Future Promising

RIGHT — Brian Payne is caught in mid air as he goes through his routine on the trampoline. The tramp this year has been classified as a special event.

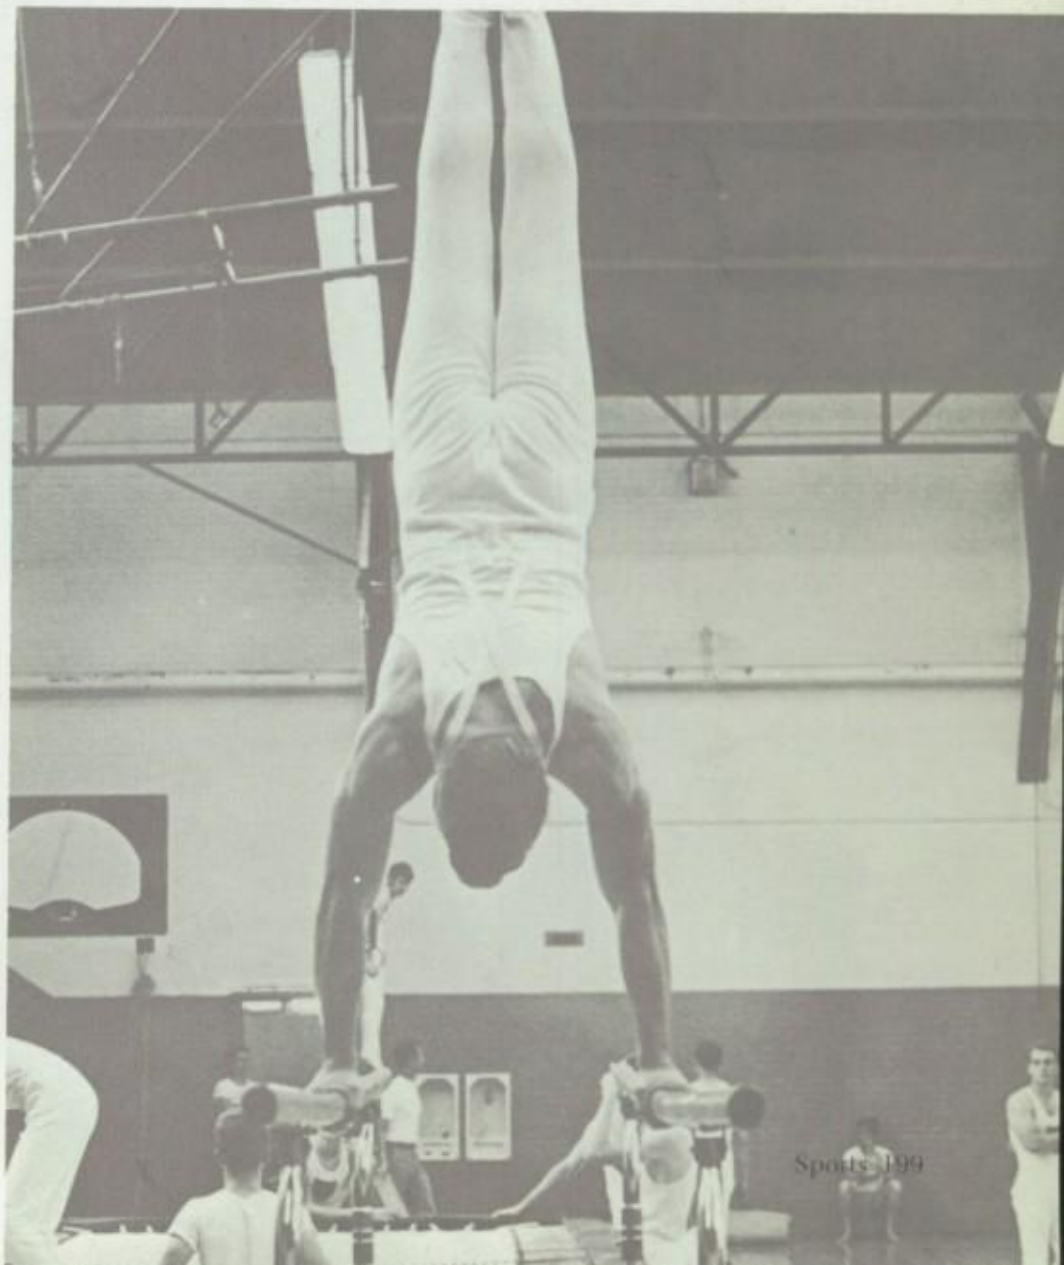


LEFT — Greg lynch prepares for a dismount from the side horse.

North's gymnasts faced some tough competition this year from mostly Scottsdale schools such as Catalina, Arcadia, Scottsdale High, and others. They traveled to Tucson, too, to face the cream of the "Southern" crop, such as Amphitheater and ever-dangerous Rincon. Outstanding individuals were Carl Mriss, Mike Warren, and John Baker.

ABOVE — Johnny Baker, North's mighty mite wonder, goes through some of his free exercise floor routine.

BELOW — Mike Warren performs a difficult iron cross on the rings. The rings are one of the hardest events to work. **RIGHT:** Dick Davenport is caught on his upward arc as he performs on the parallel bars.



1969 Rifle Team: **FRONT ROW** — Kenneth Mylo, Richard Kendrick, Phillip Champagne, Terry Hatton, Mike Dunn, and Robert Williams. **BACK ROW** — Co-Captain Keith Norton, and Captain Chett Gunkel.

Gunkel, Norton Lead '69 Squad

With such returnees as Chett Gunkel and Keith Norton, the '69 Varsity Rifle Team showed considerable promise from the beginning of the season. At press time, things were looking pretty dim for the Junior Varsity, which, of course, means that they don't look good for next year. The deception in this, though, is seen in the fact that there is only one senior on the team. Sergeant Stewart expected North's toughest competition, this year, to be either West or South.

Co-Captain Keith Norton is seen sighting in his target, just before he pulls the trigger.

1969 Varsity Golf Team: **FIRST ROW** — David Kriegbaum, Jim Craft, and Tim Fermin. **BACK** — Robert Gonzales, John Chotras, Garry Gordon, Rick Gonzales, Craig Asbury, and coach Hal "Palmer" Williams.

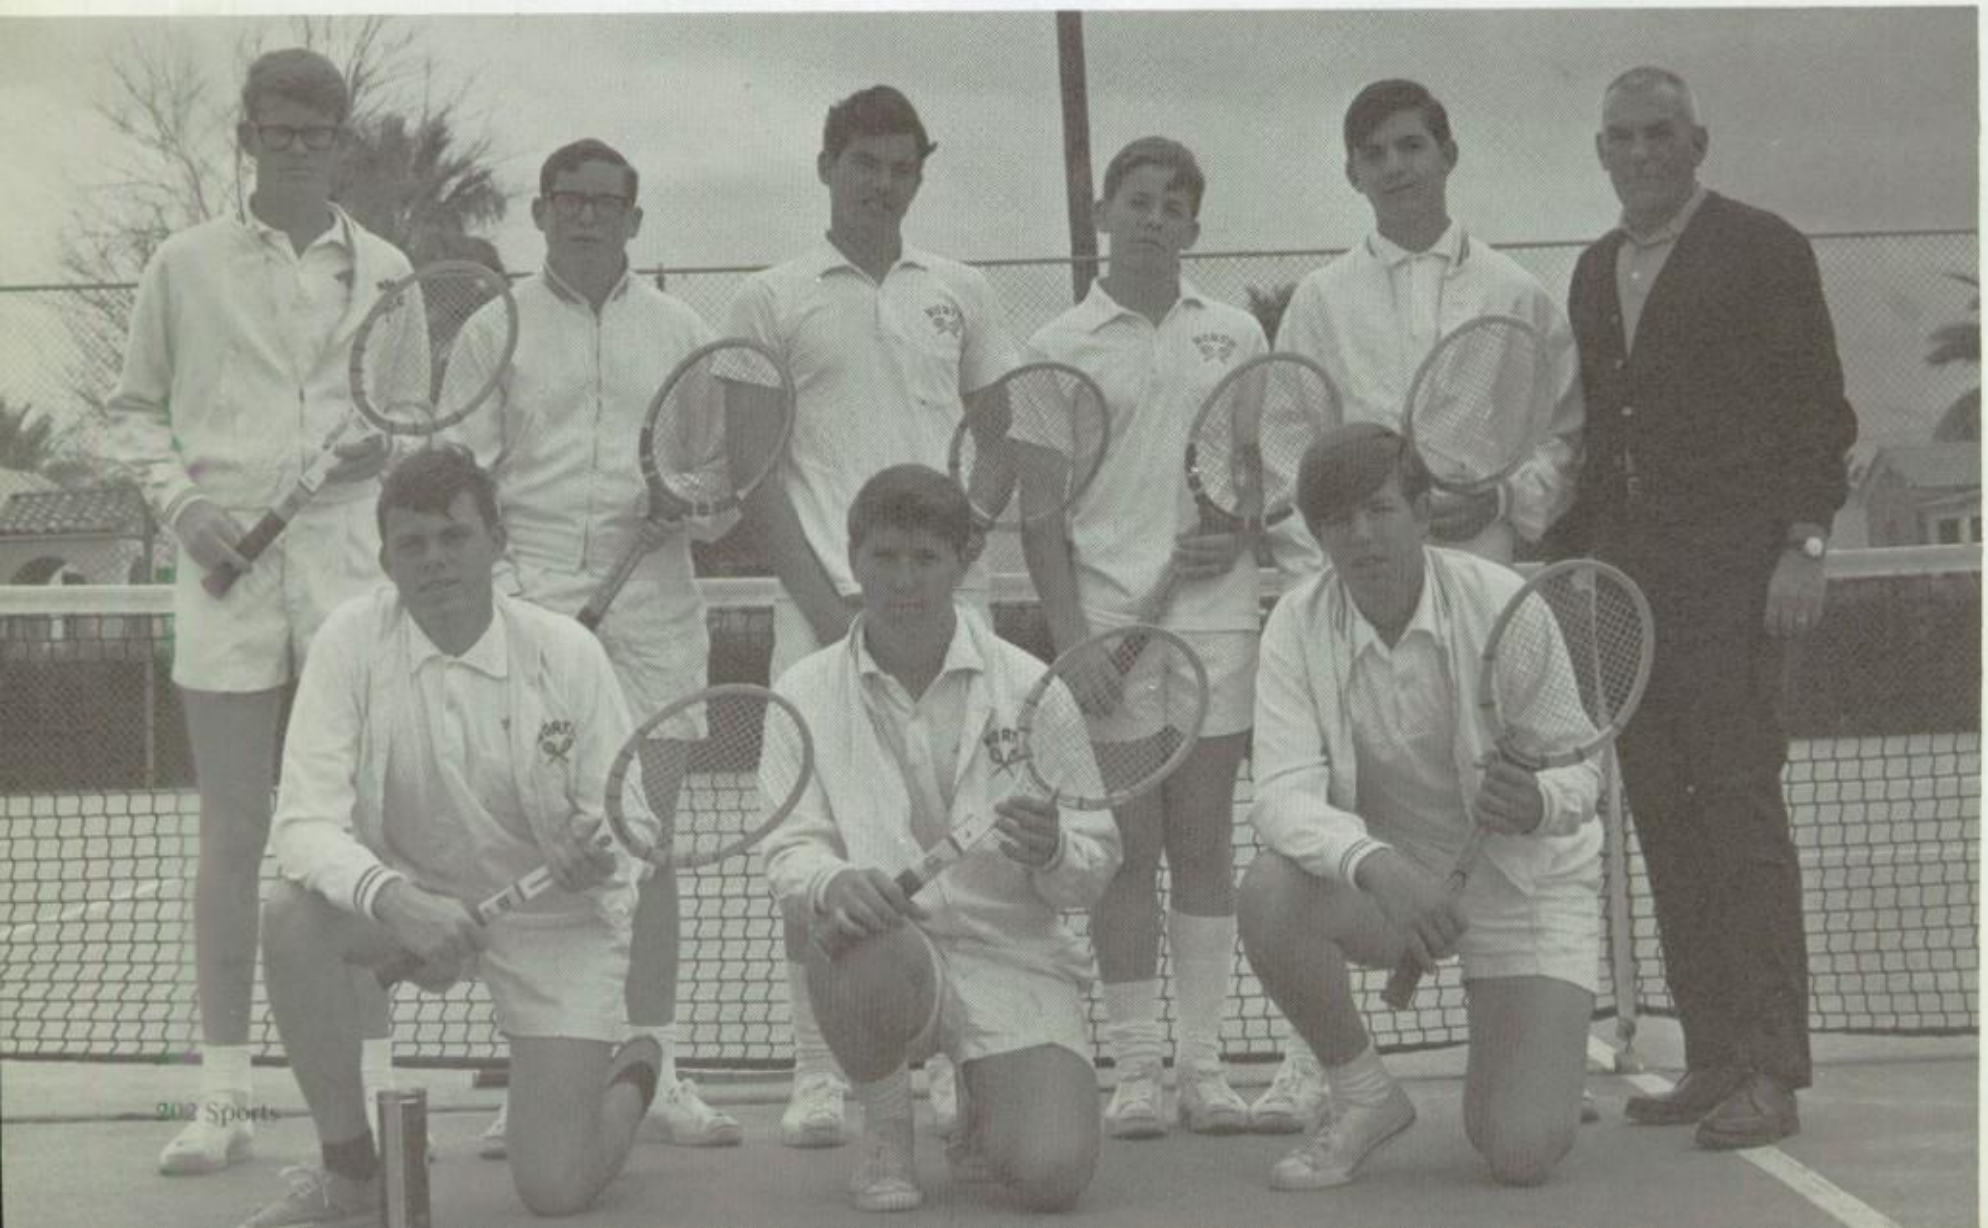
Golfers Are Great

Coach Williams was the most optimistic about North High golf than in any time in recent years, remarking that "This year's team will be the best in the last five years."

Mr. Williams expected the Mustang Linksters to go to state this year, and finish in the top four in the conference. The team warmed up against two of the toughest teams, Alhambra and Maryvale. They tied Alhambra, 223-223, and Maryvale took the meet with a 203.

ABOVE: Bob Gonzales prepares to shoot out of a sandtrap at the Phoenix Country Club against Alhambra and Maryvale.

1969 Varsity Girl's Tennis Team: **BACK ROW** — Babs LaFontaine, Dorenda Ramsey, Vicki Gerdes, Rosemary Boehme, Eileen McNally, Dorothy Abrams. 1969 Junior Varsity Girl's Tennis Team: **FRONT ROW** — Terry Johnston, Durkje Hartoog, Patti McIndoo, Cheryl Kozdruy, Bonnie Potter, Dr. Wilkinson.

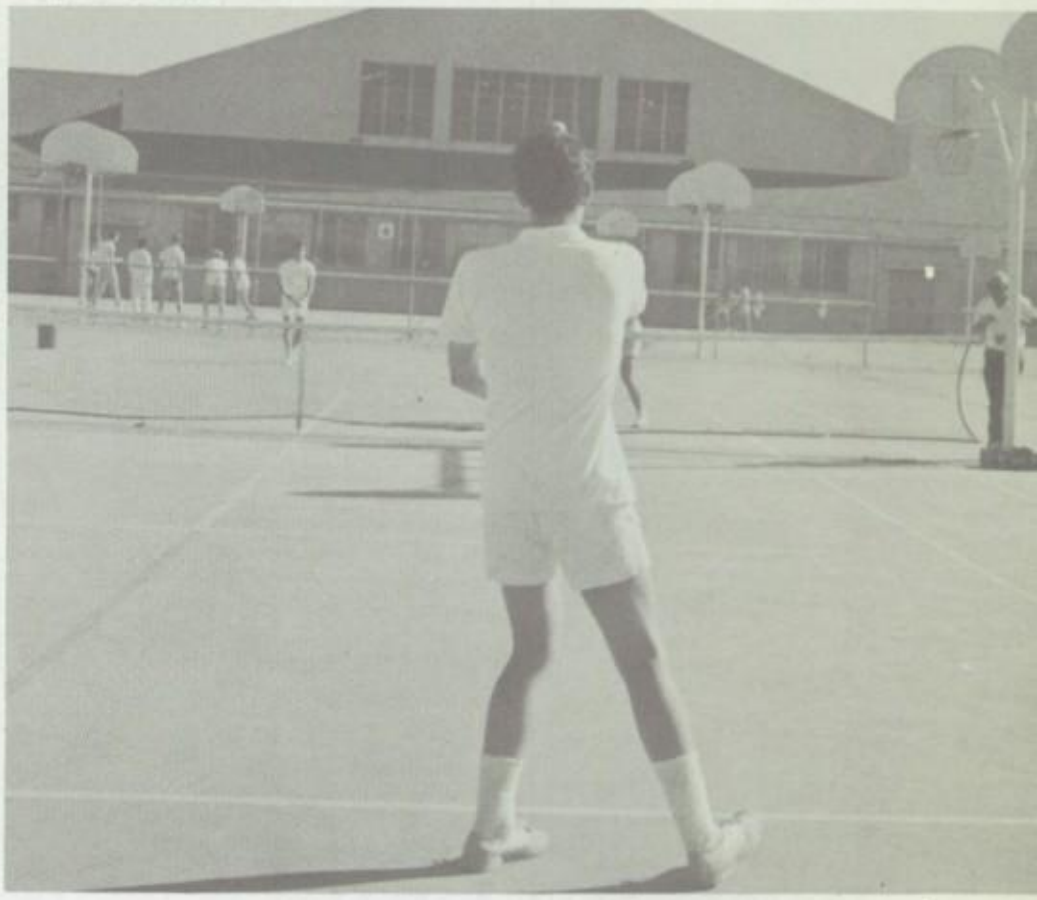


1969 Boys Tennis Team: **FRONT ROW** — Blake Smith, Edward Bower, Kevin Langley. **BACK ROW** — Charles Carson, Kenneth Easterly, Michael Young, Tim Ruffin, John Rogers, and Coach Doyle Hardy.

Carson, LaFontaine Star For Girls Tennis

Tennis this year had both a promising outlook and rebuilding promise. With five returning Letterwomen, Girl's Tennis had a solid base. Rated as best prospects were Abby Carson and Babs LaFontaine, playing first doubles.

The boys' varsity team looked forward to the addition of five players from a freshman team that chalked up nine wins and one loss. Coach Hardy described the season as a "Take the Lumps" rebuilding year.



Freshman Mike Young, **RIGHT**, prepares to serve in an afternoon practice session.

Kathy Patrick and Debbie Mason are seen practicing their forehand, together.

Bird Batters Defeat South Rebels

This year's Varsity Badminton Team showed good promise for future games, as they beat South Mountain's Rebels in their first game. At press time, no other games had been played. The team of Rexanne Alworth, Debbie Beavers, Janet Darnell, Lydia Burruel, and Kathy Patrick played remarkably, trying to prove that Badminton isn't really the tame, backyard sport most people seem to think it is. With few seniors on this year's team, the Badminton future at North appears bright. Under the brilliant direction of Mrs. Steele, practices went very well.

1969 Varsity Badminton Team: **TOP ROW** — Leslie Adams, Linda Dabkowski, Coach LaDonna Steele, Debbie Mason, and Maxine Reddick. **MIDDLE ROW** — Jamie Merrill, Kay Belle Switzer, Kathy Patrick, and Krindy Gruins. **BOTTOM ROW** — Debbie Beavers, Janet Darnell, Lydia Burrel, and Rexanne Alworth.

Yesterday . . .

Yesterday was a wonderful time at North. For that reason, today is filled with happy memories. The year has passed as many others will pass in the future. The only difference will be the distinctive mark that we, this year, have left upon North High. This year reflected **our** time, **our** lives, and **our** way of thinking. Yesterday reflects us, as individuals.

To this year's freshmen, North was a new experience, both fun and challenging. To the returning sophomores and juniors, it meant renewing old acquaintences and gaining new ones. For seniors, well, it was the last step of their journey through high school. Now, college lay ahead for some, and others will take their place in the adult business world.

The year is ended now. It has ended, but is not dead, for the memories of this special year, **our** year, will remind us of North High as it was . . . yesterday.
